National Co-Investigating Judge

To

Judge Laurent Kasper Ansermet
Reserve International Co-Investigating Judge

Subject: Abrupt Stop of Unlawful Acts and of the Use of My Name to Link to These Acts

Dear Reserve Co-Investigating Judge,

I would like to reiterate that as stated in my letter dated December 05, 2011 and in my subsequent press releases, I have never discussed any procedural acts relevant to Case File 003 and 004 with you, and you yourself have also acknowledged that I have so far not recognized your authority in fulfilling the duty as the reserve co-investigating judge. Hence, you could not raise any disagreement between you and me in these legal proceedings, while the Agreements and the Law on the Establishment of the ECCC do not also authorize you to act in the capacity as a reserve co-investigating judge when the position of the International Co-Investigating Judge is still vacant. In this regard, what you have been doing so far is indeed unlawful.

As the aforementioned, I would like to call for your abrupt stop of these unlawful acts and of the use of my name to link to such deeds, particularly to what you have so far considered solely as disagreements between co-investigating judges.

National Co-Investigating Judge
