- 1 PROCEEDINGS
- 2 (Court opens at 0901H)
- 3 MR. PRESIDENT:
- 4 Please be seated. The Court is now in session.
- 5 [09.02.39]
- 6 Before we proceed to the Co-Prosecutors, the Chamber notes that
- 7 accused person Ieng Sary is not present in the courtroom.
- 8 Ms. Se Kolvuthy, could you report on the status of Mr. Ieng Sary?
- 9 THE GREFFIER:
- 10 Mr. President, Your Honours, Mr. Ieng Sary is in his holding
- 11 cell. He has waived his right to be present in the courtroom and
- 12 the waiver has already been offered to the -- or submitted to the
- 13 Chamber.
- 14 MR. PRESIDENT:
- 15 Thank you.
- 16 The Chamber has received Ieng Sary's waiver signed on the 31st of
- 17 May 2012. He has asked that he be excused from this courtroom and
- 18 be permitted to observe the proceeding from his holding cell for
- 19 the rest of the day. He said he has health concern; that he
- 20 cannot remain seated in the courtroom.
- 21 [09.04.37]
- 22 The Chamber, therefore, grants such request. Mr. Ieng Sary is
- 23 allowed to observe the proceedings from his holding cell through
- 24 the audio-visual means. Mr. Ieng Sary is allowed indeed to
- 25 observe the proceedings through remote participation.

- 1 AV booth officers are now instructed to ensure that the AV or
- 2 audio-visual equipment are well connected to the holding cell so
- 3 that Mr. Ieng Sary can observe the proceedings from there.
- 4 Mr. Co-Counsel for the civil parties, you may now proceed.
- 5 MR. PICH ANG:
- 6 Thank you, Mr. President, Your Honours, I am on my feet just to
- 7 inform the Chamber that Counsel Sin Soworn and Mr. Barnabé Nekuie
- 8 will be putting questions to the witness when the floor is handed
- 9 to the civil party counsels.
- 10 [09.06.12]
- 11 MR. PRESIDENT:
- 12 Thank you, Counsel.
- 13 We note your position and we would like now to proceed to the
- 14 prosecutors to put questions to the witness. You may now proceed.
- 15 OUESTIONING BY MR. VENG HUOT RESUMES:
- 16 Good morning, Mr. President, Your Honours. Good morning, my
- 17 learned colleagues, Mr. Witness and people in the public gallery.
- 18 Q. Yesterday, before we broke, I put some questions to Mr.
- 19 Lomouth already, but I have a few more questions to put to you
- 20 today.
- 21 Before I proceed with my question, I would like to refresh your
- 22 memory concerning the question I put yesterday and I may seek
- 23 your clarification on this.
- 24 During the Democratic Kampuchea, was it the case that wounded
- 25 soldiers were made to get married with some women, and you said

- 1 you have no knowledge of that? Do you still maintain your
- 2 position?
- 3 [09.08.04]
- 4 MR. SAR KIMLOMOUTH:
- 5 A. Yes, I do. I have no knowledge of this.
- 6 Q. I would like now to ask you a question concerning the
- 7 religious belief during the Democratic Kampuchea. Have you ever
- 8 heard the term "reactionary"?
- 9 A. Yes, I have.
- 10 Q. Have you ever heard the expression "reactionary religion"?
- 11 A. I have never been told or talked to about this expression.
- 12 [09.09.13]
- 13 Q. During the Democratic Kampuchea, did you ever see any monks in
- 14 a pagoda?
- 15 A. In my cooperative there was a pagoda but I saw no monks.
- 16 Q. Could you tell the court were monks treated as the reactionary
- 17 religion followers?
- 18 A. Nobody talked to me like that.
- 19 Q. Were you ever told about the Christianity and Islam? Were they
- 20 regarded as the reactionary religions? Have you ever heard or
- 21 told about this?
- 22 A. I cannot explain this to you because I have never been told
- 23 about this to me.
- 24 Q. Thank you.
- 25 I would like now to proceed to the common plan before the 17th of

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 April 1975. Mr. Lomouth, yesterday you testified that you joined
- 2 the revolution movement, and you helped the movement
- 3 economically, emotionally and physically.
- 4 My question is: Did you attend the meetings very often with those
- 5 leaders?
- 6 A. No, I didn't.
- 7 Q. You stated that you did not attend the meetings; but did you
- 8 happen to know the plan to attack Phnom Penh?
- 9 A. I have no idea about this plan.
- 10 [09.12.35]
- 11 Q. Are you aware of the methods applied by the CPK to evacuate
- 12 people from Phnom Penh?
- 13 A. I don't know.
- 14 Q. On the 17th of April 1975, when this date -- during this date,
- 15 could you tell us, where were you?
- 16 A. I was at home in Phnom Penh on that day.
- 17 Q. Could you tell us what was -- could you tell us what Phnom
- 18 Penh was like on that date?
- 19 A. I was at home, so I could only tell you about what happened
- 20 near my home. I saw some Khmer Rouge combatants coming in the
- 21 vicinity but I have no idea what happened in other section or
- 22 districts in the city. I could only tell you what I saw near my
- 23 home.
- 24 [09.14.36]
- 25 Q. When you saw the combatants -- the young people coming near

- 1 your home, were you referring to the soldiers or civilians?
- 2 A. Indeed, I was referring to the soldiers because they were
- 3 armed.
- 4 Q. Did any of the Khmer Rouge soldier talk to you, anything?
- 5 A. When they came in they didn't say anything to me. They would
- 6 just walk near my home.
- 7 Q. Were you told by them to leave Phnom Penh?
- 8 A. Late in the afternoon we were told to leave the city. We were
- 9 told that we would be leaving the city for a few days only.
- 10 Q. So you indicated that the Khmer Rouge asked you to leave the
- 11 city only for a few days.
- 12 My next question is about the property: So how did the Khmer
- 13 Rouge tell people about their assets or property? What would they
- 14 do with them?
- 15 A. We were not told anything other than being asked to prepare
- 16 some food. That's all.
- 17 Q. When you were leaving Phnom Penh, what was your impression
- 18 concerning the people condition on the roads?
- 19 [09.17.43]
- 20 A. I saw people walking on the roads and there were a lot of
- 21 people on the roads. I don't know where they would be going.
- 22 Q. When you left Phnom Penh, where were your next stop?
- 23 A. I stopped at some relatives in a village in Kien Svay, which
- 24 is adjacent to National Road Number 1 and I stayed with them.
- 25 Q. Did you witness -- or could you tell us the condition of the

- 1 people, the evacuees, the Old People, and children?
- 2 [09.19.26]
- 3 A. People had to leave Phnom Penh in family. It was no strange
- 4 and everyone had to go altogether with the whole family and road
- 5 was crowded with people, and people could move and gather at Kien
- 6 Svay location and there were a lot of people there.
- 7 Q. In such a chaotic situation, did Angkar take effort to provide
- 8 any medical services for them -- for the people?
- 9 A. I did not see anything like that.
- 10 Q. How long did you have to stay in Kien Svay and what did you do
- 11 there?
- 12 A. There was a cooperative in that location, and because I had
- 13 some relatives there, I asked that I be allowed to settle at this
- 14 cooperative. However, later on, I was transferred to another new
- 15 cooperative.
- 16 Q. At the first cooperative, could you tell the Court your
- 17 impression concerning the food ration?
- 18 A. Each family had to do their best to find their own food to
- 19 feed their own family. There was no proper arrangement for people
- 20 to have proper food in the cooperative.
- 21 Q. Now, with regard to the second cooperative you said you were
- 22 transferred to, could you tell the Court the condition of the
- 23 food condition at that cooperative?
- 24 [09.22.47]
- 25 A. There was no food shortage in the second cooperative, although

- 1 food was not plentiful; but there was no shortage of food.
- 2 Q. Were you asked to put your property as a common property?
- 3 A. I was told so but I did not leave with any belongings or
- 4 property. I had only a watch, that's all.
- 5 Q. I have noted that for the rest of your life you had been doing
- 6 your best to enquire your assets. So, when you left Phnom Penh,
- 7 you left with nothing; is that correct?
- 8 A. Yes, it is.
- 9 [09.24.20]
- 10 Q. Did you know what happened to your property? Did you know that
- 11 Angkar seized your property?
- 12 A. After I left Phnom Penh, I had to leave my house behind. I had
- 13 no knowledge whether the house was seized or not. We, when
- 14 leaving Phnom Penh, had a car where our members of family could
- 15 have a ride, but then, at Kien Svay, we had to really give it to
- 16 other people.
- 17 Q. At each cooperative, were your biographies taken?
- 18 A. At the first cooperative, no biography was ever taken or given
- 19 because it was still not properly the cooperative was not yet
- 20 properly managed. But when I moved to the second cooperative, my
- 21 biography was taken.
- 22 Q. Are you aware where your biography could have been sent to?
- 23 A. No, I am not.
- 24 [09.26.10]
- 25 Q. Thank you. In each cooperative of the CPK, your cooperatives -

- 1 the cooperatives you state in particular, did you know that
- 2 people would be classified into 17th of April People, the Old
- 3 People, and the New People?
- 4 A. At the first cooperative, there was no such classification.
- 5 People could stay where they wished to stay.
- 6 Q. What about at the second cooperative?
- 7 A. At the second cooperative, there were mainly intellectuals who
- 8 left Phnom Penh. There were also some workers in Phnom Penh,
- 9 along with some local peasants evacuating from the south part of
- 10 Phnom Penh, from all the way from Choeng Ek, to stay at that
- 11 cooperative. So I can say that, at the second cooperative, there
- 12 were intellectuals, workers, and peasants. Although there was a
- 13 diversity of people living -- staying at the cooperative, they
- 14 were equally treated, and they had to do farming equally.
- 15 [09.27.59]
- 16 Q. Were you married at that time?
- 17 A. Yes, I was.
- 18 Q. In the cooperatives, were you reunited with your family
- 19 members and spouse?
- 20 A. Our family members lived together except one of my children
- 21 who was abroad.
- 22 Q. When were you transferred to Phnom Penh?
- 23 A. I don't remember the exact date, but I'm sure that, at the
- 24 cooperative, I worked to do farming for a season. And after we
- 25 collecting the harvest and stacking the haystack, then I was

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 asked to move to Phnom Penh by Angkar. I think it was about 1976,
- 2 or so.
- 3 Q. Do you remember who were transferred to Phnom Penh with you at
- 4 that time?
- 5 A. I came to Phnom Penh alone.
- 6 Q. Were you told the reason why you had to return to Phnom Penh?
- 7 A. I was not told the reason behind this.
- 8 [09.30.26]
- 9 Q. When you entered Phnom Penh again, what was your impression of
- 10 the city? What was Phnom Penh like?
- 11 A. Phnom Penh was very quiet.
- 12 Q. I may go back a little bit. You said you returned to Phnom
- 13 Penh alone. What about your family members including your
- 14 children and spouse? Were they coming with you?
- 15 A. No, they weren't; they stayed at the cooperative.
- 16 Q. When could you reunite again, with your family?
- 17 A. Once in every two or three weeks, I was allowed to visit my
- 18 family for a night or two, and then I had to return.
- 19 Q. When they gave you permission, did they issue you a permit --
- 20 a travel permit?
- 21 A. I cannot recall, but to my knowledge, I was not given any such
- 22 authorization or permit.
- 23 [09.32.29]
- 24 Q. Who was in charge of permitting you to visit your family
- 25 without any such travel permit?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 A. Someone who was in charge in Phnom Penh allowed me to do so,
- 2 and then I cycled into Phnom Penh or to other places, and then,
- 3 when I got to any one checkpoint, then I would tell them that I
- 4 had to go to this place and that place, and they allowed me. That
- 5 was it. And they did not even bother to ask me for such permit.
- 6 Q. Who was the person in charge?
- 7 A. He was Doeun. Doeun was the Chairman of the Commerce Committee
- 8 at that time.
- 9 Q. So I would like to now move closer to the events that took
- 10 place in Ministry of Commerce.
- 11 So my question is: Where did you stay when you first returned to
- 12 Phnom Penh?
- 13 A. When I first arrived in Phnom Penh, I stay in a house close to
- 14 the Industry Committee and the house in which I stay was close to
- 15 the Industry Committee compound. It was not called the Ministry
- 16 of Industry, at that time, it was called Industry Committee.
- 17 [09.35.01]
- 18 Q. Who did you meet when you first arrive in that house?
- 19 A. At that time, I stayed close to the Industry Committee. Then I
- 20 met the chairman of the Industry Committee, who told me that I
- 21 should stay there on -- temporarily.
- 22 Q. Who was the chairman of the Industry Committee?
- 23 A. He was An.
- 24 Q. Do you know his full name?
- 25 A. No, I don't. I only knew him as An, and people call him

- 1 Comrade An.
- 2 Q. What was your main duties at the time?
- 3 A. There was no clear designation. As for my roles, they asked me
- 4 to simply wait.
- 5 [09.37.06]
- 6 Q. Was there any meeting to introduce you to the team?
- 7 A. No, there was no such meeting.
- 8 Q. Did you ever meet foreign delegates on their official visit?
- 9 A. Yes, I did.
- 10 Q. What was the purpose of the foreign visitors visit?
- 11 A. Basically, they came to talk about trades between Cambodia and
- 12 Cambodian counterparts.
- 13 Q. So which country were those delegations from?
- 14 A. The delegation was from China -- the People's Republic of
- 15 China.
- 16 Q. At the time, was the foreign commerce bank established?
- 17 A. No, that foreign commerce bank was not yet established.
- 18 [09.39.29]
- 19 Q. Since such bank was not established, how did they go about
- 20 establishing trade relations?
- 21 A. At first, they simply told us the fundamentals of trades
- 22 between the two country, and they said that bank was instrumental
- 23 to the process, but bank was not yet established. So, in the
- 24 Cambodian side, not many of us understood banking transaction,
- 25 and I was the only one who used to work in the bank. I was not so

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 much skilful in the banking system. However, I knew the system --
- 2 how it worked -- so they asked me to facilitate.
- 3 Q. So in which year was the said bank established? And who was,
- 4 then, in charge of that bank?
- 5 A. I cannot recall it well. I do not remember the exact date, but
- 6 it was sometime in 1976 -- in late 1976 or so, but I cannot
- 7 recall the exact date. But when it was first established, it was
- 8 named Foreign Trade Bank of Cambodia and the chairman of that
- 9 bank, at that time -- no, I -- let me go back a little bit.
- 10 [09.41.28]
- 11 The -- according to the letter establishing this bank, there were
- 12 two individuals in charge of this bank. One being the director
- 13 general and the other was the deputy director general. But I
- 14 cannot recall their names, but I can remember his surname Mey,
- 15 but I cannot recall his full name. And the other one was the
- 16 deputy director general.
- 17 And, again, I would like to state that I did not even meet, in
- 18 person, with the director general of the bank at that time.
- 19 Q. Concerning the organizational structure of the bank that was
- 20 due to established, I would like to ask you: What institution was
- 21 this bank required to report to?
- 22 A. I am not sure. I did not know which institution supervised
- 23 this bank.
- 24 [09.43.25]
- 25 Q. As a matter of conventional practice in the bank, there was a

- 1 system of work reports. Who did you report to?
- 2 A. I had to be more detailed about that. The bank was managed by
- 3 one director and one deputy director but, again, I never met them
- 4 in person. But under -- but as for the other departments, there
- 5 were no other section, for example accounting section or finance
- 6 sections or so. So, in terms of reporting systems, there was no
- 7 established mechanism or procedures to submit report because
- 8 there no many people.
- 9 As I said, I never even met the director general, myself, so --
- 10 and this bank was a near-empty institution and only when there
- 11 were foreign delegates, then we would meet with them; otherwise,
- 12 no operation was taking place.
- 13 And if we had to prepare reports, then such report had to be sent
- 14 through a messenger and the messenger would convey this report to
- 15 the upper echelon, but I have no idea who upper echelon was and I
- 16 dare not ask the messenger as to whom this letter was supposed --
- 17 or this report was supposed to send -- to be sent.
- 18 [09.45.33]
- 19 Q. So are you saying that the messenger was tasked to communicate
- 20 between you and the upper echelon? Is that correct?
- 21 A. The messenger was about 13 or 15 years of age. They did not
- 22 know anything. They did not understand anything at all. Whatever
- 23 they got from us, they simply took it and pass it on to others.
- 24 And, again, I did not recruit the messenger myself. The messenger
- 25 was designated by the upper authority.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Q. Yes, you said that the messenger were about 13 or 15 years of
- 2 age. But, in your reports, did you address it to any individuals;
- 3 for example if you had to address it to brother this and that, or
- 4 at this level and that level?
- 5 [09.47.02]
- 6 A. Mostly, what I sent to the upper authority, it was in the form
- 7 of a draft. I had to draft it in English, and I had to admit that
- 8 my English was not good enough. I was not clear; certain terms I
- 9 was not familiar with, I put it in brackets using French term
- 10 because I knew that people at the upper level understood English
- 11 very well so they would revise it accordingly. So, at that time,
- 12 we sent to the office and I did not know whom I address to. But I
- 13 only addressed to the office. But I cannot even recall the number
- of the office, and there was a central communication office up
- 15 there who was responsible for sending those report to. And,
- 16 again, I cannot recall the number of the office because it has
- 17 been 30 year overs, but I simply told the messenger every time he
- 18 came to my office that this was the report I was supposed to send
- 19 to office. But I did not make mention the person whom this letter
- 20 was addressed to.
- 21 [09.48.28]
- 22 Q. Earlier on, this morning, you mentioned that Doeun was the
- 23 Chairman of the Commerce Committee. Did you know who the
- 24 immediate superior of Doeun?
- 25 A. No, I don't know.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Q. Between you and Doeun, who is the superior?
- 2 A. In terms of hierarchical structure, Doeun was more superior
- 3 than me. As you know, the bank was subordinate to the committee
- 4 so we simply explained technical matters to him.
- 5 Q. Concerning the structure of the ministry per se, did you know
- 6 who the chairman of the ministry?
- 7 A. I would like to be clear. We use the term "ministry". Now, we
- 8 have Ministry of Industry, Ministry of Commerce, but back then
- 9 they did not use the word "ministry" per se, because they use
- 10 "committee" instead; says Commerce Committee or Industry
- 11 Committee. And in the commerce industry (sic), there was a
- 12 chairman -- a chairman of the Commerce Committee.
- 13 And when I first arrive in Phnom Penh, Doeun was the Chairman of
- 14 the Commerce Committee. And then, later on -- I, again, cannot
- 15 recall the exact date -- Doeun was removed or dismissed, I don't
- 16 know, but he was removed and then Van Rith took his place.
- 17 [09.51.18]
- 18 Van Rith was a former member of the Commerce Committee. Since
- 19 Doeun disappeared, then Van Rith came to take his place.
- 20 Q. When Doeun was removed and disappeared mysteriously, then Van
- 21 Rith came to take his position. Did Van Rith inspect rice
- 22 production in each region?
- 23 A. That, I do not know.
- 24 Q. Had you ever receive reports on rice production sent from the
- 25 regions?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 A. No, I never receive one.
- 2 Q. In your capacity as a deputy director of the bank, did you
- 3 forge any relationship with overseas banks?
- 4 [09.53.22]
- 5 A. At the time, despite of the fact that I was the deputy
- 6 director general, but I never sign off any documents because the
- 7 documents I prepared, I had to submit it to the director general
- 8 whom I never met in person and no archive copy was given to me
- 9 for records, because the people at the upper level would revise
- 10 it and send it out. And I believe, however, that reports or a
- 11 communication letter or so must have been communicated between
- 12 our bank and banks overseas.
- 13 Q. So are you saying that there were such documents, but you
- 14 cannot recall what documents was all about? Is that correct?
- 15 A. The document might have been endorsed by the director general,
- 16 but then the document was not sent back to me; I never had a copy
- 17 myself. So it was my pure assumption that the reports or the
- 18 document was sent away, but I did not have a copy myself.
- 19 Q. Did you know Vorn Vet?
- 20 A. Yes, I did.
- 21 [09.55.22]
- 22 Q. What position did Vorn Vet hold?
- 23 A. According to the organizational structure of the Democratic
- 24 Kampuchea, at that time I did not know it for sure because there
- 25 was no official announcement whatsoever but, through my

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 observation, I noted that Vorn Vet was in charge of economy. And
- 2 when I returned from the cooperative, he asked me to meet. He
- 3 called me Bong -- Bong or Brother -- because I was older than him
- 4 and he told me that there were Chinese delegates who were to
- 5 visit Cambodia and he needed people who understood the bank
- 6 transaction, so he asked me to be there in order to facilitate
- 7 the meetings with the Chinese delegates.
- 8 Q. We learned that Vorn Vet was in charge of economy, but my
- 9 question is: Do you know the organizational structure of the
- 10 Economy Committee?
- 11 A. No, I don't know.
- 12 [09.57.40]
- 13 Q. Can you tell the Court the revolutionary name of Hem? Did you
- 14 ever hear this name?
- 15 A. Yes, I did.
- 16 Q. Do you know his full name now?
- 17 A. His full name now is Khieu Samphan. Actually, I knew it long
- 18 time ago.
- 19 Q. Did you know the position of Khieu Samphan who used the
- 20 revolutionary name Hem at that time?
- 21 A. No, I did not know.
- 22 Q. Who had the authority to sign off the trade deal?
- 23 A. No, I did not know, because that was the affairs of the
- 24 Economy or Commerce Committee. I did not know it.
- 25 Q. I may now proceed to another portion concerning yourself in

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 particular.
- 2 [09.59.51]
- 3 You indicated that Mr. Doeun disappeared. Apart from Doeun, did
- 4 you know who else also disappeared?
- 5 A. I have no idea about this, and with regard to people who
- 6 worked at the bank, there was no other people other than I,
- 7 myself, with the young people I already mentioned. So I had no
- 8 idea about the disappearance of Doeun.
- 9 Q. Did you know anything about the transfer of people or the
- 10 reshuffle of personnel in the ministry?
- 11 A. No, I didn't.
- 12 Q. Do you know the person by the name of Krin?
- 13 A. At the beginning I did know this person, but later on, I don't
- 14 remember the exact date, it was on an occasion that I went to
- 15 Kampong Som and met him in his capacity as the chief of the
- 16 seaport, but I had never known this person previously.
- 17 Q. Do you know whether Krin is still alive or had already
- 18 disappeared?
- 19 A. I don't know. I don't know whether he is still alive or where
- 20 he could have been.
- 21 [10.02.02]
- 22 Q. Earlier, you said Doeun was the chief. When Doeun disappeared,
- 23 who came to take his place?
- 24 A. In the Commercial Committee, Doeun had been the head of the
- 25 committee all along, but when Doeun was absent, then it was Mr.

- 1 Van Rith who took his position.
- 2 Q. When did you know Vorn Vet disappeared?
- 3 A. I don't recollect this.
- 4 Q. You don't remember when he disappeared, or you don't remember
- 5 knowing that he had disappeared?
- 6 A. I don't know about his disappearance, because later on I had
- 7 not had any contact or communication with him, and for this I had
- 8 no reason to know where or when he disappeared, or whether he
- 9 disappeared or not.
- 10 Q. In the aftermath of Doeun's disappearance, what was your
- 11 emotion? Were you afraid?
- 12 A. My feeling was normal regardless of the disappearance of
- 13 Doeun. I was no afraid. I could work as normal and I could still
- 14 use my skills in banking -- in my daily routines. Whether I liked
- 15 it or not, whether I was happy or not, I just had to do my best
- 16 at work.
- 17 [10.04.57]
- 18 Q. Were you afraid when you worked or did you do your work
- 19 voluntarily based on your profession?
- 20 A. I used my profession and skills to work, but I was also afraid
- 21 of my superior.
- 22 [10.05.43]
- 23 MR. VENG HUOT:
- 24 Mr. President, I have already put all the questions that I wished
- 25 to put to the witness. However, with regard to other questions

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 concerning the relevant facts and evidence, my colleague, Mr.
- 2 Tarik Abdulhak, will proceed with those questions.
- 3 On behalf of the Prosecution, I would like to thank you, Mr.
- 4 Witness, very much for your time responding to our questions for
- 5 -- during the session, and I hope you will be pleased to respond
- 6 to questions my colleague will be putting to you as well.
- 7 And thank you, Mr. President and Your Honours, for the
- 8 opportunity to put the question. And that's all.
- 9 [10.06.39]
- 10 MR. PRESIDENT:
- 11 Co Prosecutor, you may now proceed.
- 12 OUESTIONING BY MR. ABDULHAK:
- 13 Thank you, Mr. President. And good morning, Your Honours. Good
- 14 morning, Counsel. And good morning, Mr. Sar Kimlomouth.
- 15 What I would like to do is briefly return to some of the topics
- 16 that you discussed with my colleague, and then we will move on to
- 17 other areas.
- 18 I want to thank you for being here. I know we're asking you about
- 19 matters which took place a long time ago, and we do appreciate
- 20 your assistance.
- 21 [10.07.40]
- 22 Q. You said yesterday that you had joined the revolutionary cause
- 23 sometime early in your life. Are you able to be a little bit more
- 24 specific for us? Was that in the 1950s or 1960s, or was it later
- 25 than that?

- 1 MR. SAR KIMLOMOUTH:
- 2 A. So far as I remember, it could have been in the 1950s or
- 3 sixties, I think in those years. I wish to also add that at that
- 4 time there was no proper arrangement of the Communist Party of
- 5 Kampuchea as such.
- 6 Q. And I think you said to my colleague that in this period you
- 7 had already met Mr. Van Rith; is that correct?
- 8 A. I met a few people, but I don't remember meeting any
- 9 particular person because I cannot recall.
- 10 [10.09.36]
- 11 Q. But do you recall knowing Van Rith before 1975?
- 12 A. Yes, I do.
- 13 Q. Did he participate in any of the meetings that you described
- 14 for us yesterday and today, at which revolutionary causes were
- 15 discussed?
- 16 A. In meetings, I sometimes met with different people, and it was
- 17 -- they were common meetings, and I don't remember seeing Van
- 18 Rith in the meetings because the meetings were attended by
- 19 several other people that it's difficult for me to recollect them
- 20 all.
- 21 Q. You said to us yesterday that at one stage Van Rith was forced
- 22 to escape, if I recall correctly, because Lon Nol's people were
- 23 after him. Were any of the other people that you were meeting
- 24 with, that were members of the movement -- were any of them
- 25 forced to escape in that period?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 A. No, I don't know about this.
- 2 [10.12.06]
- 3 Q. So is it correct to say that, apart from Van Rith escaping,
- 4 the meetings continued with the other participants and yourself?
- 5 A. Yes, it is, but I wish to also emphasize that Van Rith did not
- 6 leave the country; he only had to move to another area still
- 7 under Khmer Rouge control.
- 8 [10.12.45]
- 9 Q. Thank you for clarifying that. Were you able to have any
- 10 contact with him after he fled Phnom Penh?
- 11 A. No.
- 12 Q. Focusing in on the 1960 period, early to mid 1960s, were you
- 13 then familiar with Mr. Khieu Samphan?
- 14 A. Yes, I was.
- 15 O. What positions did he hold? What did he--
- 16 MR. PRESIDENT:
- 17 Co Prosecutor, please hold on.
- 18 Counsel for Mr. Ieng Sary, you may now proceed.
- 19 MR. KARNAVAS:
- 20 Thank you, Mr. President. Good morning, Mr. President. Good
- 21 morning, Your Honours. And good morning to everyone in and around
- 22 the courtroom. And my apologies to the prosecutor for objecting
- 23 at this point, but the line of questioning in the period that
- 24 were discussing, the 1960s -- people having to escape -- does
- 25 raise a particular concern in that now we're going into this area

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 where, obviously, it is somewhat outside the temporal
- 2 jurisdiction, but for contextual purposes is proper.
- 3 But it really does call into question the King Father's -- who
- 4 back then was the head of state -- his conduct, which is a rather
- 5 very dark period of the Cambodian history. And of course, on
- 6 numerous occasions we have argued that the King Father and others
- 7 must come and give evidence.
- 8 [10.14.43]
- 9 So, if we're going to go into this area, if we're going to go
- 10 into this area, then obviously witnesses from that period,
- 11 including the King Father, may need to be called to give evidence
- 12 in 002/1.
- 13 And I raise this issue because -- and I'm not suggesting that he
- 14 should come, but if we're going to be going into great detail
- 15 about why people had to escape, and we're going to go into the
- 16 context, then, obviously--
- 17 MR. PRESIDENT:
- 18 Counsel, could you please hold down -- hold on?
- 19 And, Co Prosecutor, you may now proceed with your line of
- 20 questioning.
- 21 [10.15.36]
- 22 BY MR. ABDULHAK:
- 23 Thank you, Mr. President.
- 24 Q. So, just returning to my question, Mr. Sar Kimlomouth, you
- 25 said to us you were familiar with Khieu Samphan. What positions,

- 1 if any, did he hold in this period?
- 2 MR. SAR KIMLOMOUTH:
- 3 A. I'm not sure I know what his roles in the revolution could
- 4 have been, but I believe that during the Kings Father's regime he
- 5 was a parliamentarian. So, again, in the revolution, I don't know
- 6 what he did.
- 7 Q. Did you meet with him in this period, early to mid sixties?
- 8 And how often?
- 9 A. I had nothing to meet with him, because when he was still in
- 10 the country, and not yet in the liberated zone, accidentally we
- 11 met, but I have -- I had never had any meetings in which he
- 12 attended.
- 13 [10.17.33]
- 14 Q. Thank you. You said to us you were not sure what role he
- 15 played in the Revolutionary Movement at that time; but as far as
- 16 you knew, was he involved with the Revolutionary Movement in that
- 17 period -- early to mid sixties?
- 18 A. I cannot speculate, because I'm not sure on this.
- 19 Q. Did you know Mr. Ieng Sary at this time?
- 20 A. Yes, I did.
- 21 Q. And was he involved in the work of the Revolutionary Movement
- 22 and did you see him at this -- in this period?
- 23 A. No, I don't know.
- 24 [10.18.50]
- 25 Q. And just finish very quickly on this. In this period, did you

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 know Mr. Nuon Chea?
- 2 A. No, I didn't.
- 3 Q. Thank you.
- 4 You said to my colleague, yesterday, that you provided some
- 5 assistance to the Movement in that period. Could you describe for
- 6 us exactly what assistance you were providing?
- 7 A. There was nothing other than some small financial
- 8 contribution. I don't remember the money I provided to the
- 9 Movement because I worked as an official and I earned a little,
- 10 so I just took a part of the income to assist the Movement, and
- 11 that's all.
- 12 Q. And how did you provide that money, who did you give it to?
- 13 A. During meetings, the lower level meetings, the contribution
- 14 could be offered to the chairpersons of the meetings. And I just
- 15 had no idea how my money could have ended up in any place, and I
- 16 just wished to offer something.
- 17 Q. Did you provide any other form of assistance, given your
- 18 experience as a banker as someone working in a loan unit in a
- 19 bank?
- 20 [10.21.36]
- 21 A. No, I didn't provide any other form of assistance.
- 22 Q. We're going to finish this topic very quickly, Mr. Sar
- 23 Kimlomouth. I just want to, for the sake of clarity, show you a
- 24 reference to your name in a document, and perhaps you can say to
- 25 us if it is an accurate description or not.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Mr. President, I'd like to show the witness a page from E3/9.
- 2 This is the Philip Short book. There was a very brief passage
- 3 that makes reference to the witness, and with your permission I'd
- 4 like to simply read that, showing the page and read the sentence
- 5 to him and see if he can assist us with clarifying the facts?
- 6 [10.22.40]
- 7 MR. PRESIDENT:
- 8 You may proceed, but before that, you should also advise the
- 9 Chamber and the parties to the proceeding on the page ERN numbers
- 10 and reference pages for the record.
- 11 MR. ABDULHAK:
- 12 Thank you, Mr. President. The ERNs for this document,
- 13 unfortunately, at the moment, is only available in English and
- 14 French. Requests have been made for some of this material to be
- 15 translated, but it's a very large book.
- 16 The English ERN is 00396469, and in French is 00639792. The
- 17 passage is very brief, and I propose to read it, and perhaps the
- 18 interpreters can translate for us. So, if we could have that on
- 19 the screen, with your permission, Mr. President?
- 20 [10.23.49]
- 21 MR. PRESIDENT:
- 22 You may proceed.
- 23 BY MR. ABDULHAK:
- 24 Thank you.
- 25 Q. Mr. Lomouth, are you able to read the text on the screen, or

- 1 would you like a hard copy?
- 2 MR. SAR KIMLOMOUTH:
- 3 A. It is not true, and I would not accept this.
- 4 Q. That's fine, Mr. Sar Kimlomouth. I just want to -- I'm just
- 5 going to read that out for the record. The passage is states:
- 6 "The banker, Sar Kimlomouth, served as the Movement's occult
- 7 treasurer." And this page is discussing the 1974 period, and I
- 8 think we have your response on that and we can move on, unless
- 9 you have further comment.
- 10 A. I think this statement is purely speculation or guesswork of
- 11 the author of the book. During the period, I had contributed
- 12 nothing other than small amount of money. So I can conclude that
- 13 this assertion is just the unfounded or baseless argument by the
- 14 author of the book.
- 15 Q. Thank you very much.
- 16 Now, I might fast forward to the 17th of April 1975, and just by
- 17 way of follow up, see if you can assist us with a few specifics.
- 18 You said to us that you were told to leave Phnom Penh in the
- 19 afternoon of that day, and you were told that you would be able
- 20 to return within a few days. Did you leave with your family at
- 21 this point?
- 22 A. Yes, we had to leave Phnom Penh all together, and the whole
- 23 family.
- 24 [10.26.55]
- 25 Q. And what about your neighbours and others living around you?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Did they also have to leave, or did any of them stay in Phnom
- 2 Penh?
- 3 A. I believe none remained because everyone had to leave.
- 4 However, after leaving the vicinity I couldn't tell whether my
- 5 neighbours could be leaving as well, it's just my belief.
- 6 Q. And I think you said you moved out of Phnom Penh on National
- 7 Road 1 -- which, if I'm not mistaken, would be the Monivong
- 8 Boulevard -- and then continuing from there. Could you describe
- 9 for the Chamber what you were seeing at this time?
- 10 [10.28.09]
- 11 MR. PRESIDENT:
- 12 Witness, could you hold on?
- 13 And counsel for Mr. Ieng Sary is on his feet. He may proceed.
- 14 MR. KARNAVAS:
- 15 Thank you, Mr. President. My apologies for interrupting, but
- 16 again, we've covered this area already.
- 17 And here lies the problem. If we're going to have a national
- 18 lawyer or a prosecutor, on whichever side, get up first to cover
- 19 some areas, sort of like a smorgasbord, and then to have the
- 20 second lawyer get up, or prosecutor, to then go back to these
- 21 issues, we are duplicating the work, and it's time consuming.
- 22 This area was asked and answered.
- 23 Now, if it wasn't fully covered--
- 24 MR. PRESIDENT:
- 25 Counsel, could you please be brief concerning your ground for the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 floor you have? Because time is precious in this, and we observe
- 2 that every time you make comment you take long period of time to
- 3 do so. So, time and again, the Chamber would like to hear from
- 4 you whether you are now objecting the line of questioning, for
- 5 example whether the questions are leading or hypothetical, or of
- 6 any nature that are not allowed by the law.
- 7 Be more precise and brief. Then the Chamber will have the basis
- 8 for our ruling to your objection.
- 9 So please be more specific on this. Do you think that the
- 10 question is repetitive or else?
- 11 [10.30.06]
- 12 MR. KARNAVAS:
- 13 It's not only repetitive, but it's the practice that this Trial
- 14 Chamber has adopted to allow repetition ad nauseam, and that's
- 15 the purpose why I object, and that's why I give context to my
- 16 objection.
- 17 And in light of Your Honour's way I was previously treated, in
- 18 simply not even giving me a ruling, but rather asking the
- 19 prosecutor to move on, it is incumbent upon me to make a thorough
- 20 and accurate record for the purposes of an appeal, if necessary.
- 21 That's why I take longer than necessary, perhaps.
- 22 MR. ABDULHAK:
- 23 Mr. President, if I may be heard?
- 24 [10.30.51]
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Mr. Co Prosecutor, would you wish to respond to the remarks made
- 2 by counsel for Mr. Ieng Sary?
- 3 Parties indeed are vested with the full rights to appeal any
- 4 decision by the Trial Chamber, and you can make use of all the
- 5 procedures before this Chamber if you would like to proceed, so
- 6 your rights have never deprived concerning this.
- 7 MR. ABDULHAK:
- 8 Thank you, Mr. President. Obviously, we strongly disagree with my
- 9 learned friend.
- 10 [10.31.33]
- 11 All I am doing is briefly following up in relation to my
- 12 colleague's examination. My colleague spent 45 minutes,
- 13 yesterday, covering the pre '75 period. I just spent 10. I don't
- 14 propose to spend more than 10 to 15 minutes on the evacuation of
- 15 Phnom Penh. And for the record, all the witness said was that he
- 16 saw people walking and that there were a lot of them.
- 17 I think, for the benefit of the Chamber and all the other
- 18 parties, it's appropriate to ask a few follow up questions to see
- 19 if the witness can paint a picture for us in a bit more detail.
- 20 And if counsel keeps objecting, then we will lose the flow of his
- 21 testimony and we'll just waste time.
- 22 I don't think the objection is well-founded at all.
- 23 (Judges deliberate)
- 24 [10.33.28]
- 25 MR. PRESIDENT:

- 1 The Chamber will rule on the objection by the defence counsel for
- 2 Ieng Sary. This objection is not sustained.
- 3 The Prosecution may continue to put the questions to the witness
- 4 concerning the fact you just mentioned.
- 5 But once again the Chamber wishes to remind the Prosecution that
- 6 these facts was actually asked by the national prosecutor, but if
- 7 you have other questions which you would like to elicit answer
- 8 from the witness in detail, you may put the question more
- 9 briefly.
- 10 And, in addition, parties should -- if Prosecution or parties
- 11 devise the section concerning the alleged facts in the Closing
- 12 Order, then they should be organized in preparing the sections
- 13 they were responsible for cross-examine with the witness, so that
- 14 you will make good use of the Court time. Thank you.
- 15 [10.24.50]
- 16 BY MR. ABDULHAK:
- 17 Thank you Mr. President.
- 18 Q. Returning, then, to this topic, Mr. Sar Kimlomouth, briefly,
- 19 you said to my colleague that you saw a lot of people walking.
- 20 During this march, did you see any Khmer Rouge soldiers, such as
- 21 the one that you saw earlier in the day near your house?
- 22 MR. SAR KIMLOMOUTH:
- 23 A. When people were leaving the city, they brought along with
- 24 them their respective means. For example, if they had trucks or
- 25 vehicles or motorbike, they would bring them along. But I also

- 1 noticed that there were soldiers or people escorting those people
- 2 along the street.
- 3 [10.36.03]
- 4 And as for other events, I cannot really answer it unless you be
- 5 more -- you are more specific on your question as to what
- 6 situation you are asking about, but that was the overall picture
- 7 of the situation of evacuating people from the city at that time.
- 8 Q. Thank you. As far as you knew and from what you observed, did
- 9 everyone have to leave or could people ask to stay?
- 10 A. That I do not know.
- 11 Q. Did you see anyone refuse or ask if they could be exempt from
- 12 the evacuation?
- 13 A. That, I did not know either because, when they asked me to
- 14 leave, I had to leave at that time. As for those who resisted the
- order to leave the city, I did not know.
- 16 [10.37.44]
- 17 Q. Thank you.
- 18 Now, moving on to Kien Svay, which I think you said to us was
- 19 your first location, how far from Phnom Penh was this place? And
- 20 how long did it take you to reach it?
- 21 A. It's about 20 kilometres away from Phnom Penh. And then, when
- 22 I got to one pagoda, by the name of Champa, in Champa village, it
- 23 was a little bit further than Preaek Aeng village. It was about
- 24 10 kilometres plus, but it was not about 20 kilometres, I guess.
- 25 But when we left Phnom Penh, we reached that destination the next

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 day -- early morning the next day because, actually, at that
- 2 time, it was so crowded on the street, we could not move fast.
- 3 [10.39.16]
- 4 Q. And when you reached Kien Svay, you said to us yesterday that
- 5 you asked to be allowed to settle there because -- I think you
- 6 said you had some family there. Who did you ask for permission?
- 7 A. On that first day, there was no exact structure of assignment
- 8 or appointment in the cooperative, so I asked people there, and
- 9 there was no -- actually the chief of cooperative assigned to
- 10 monitor that cooperative.
- 11 So, at that time, people who wanted to stay in certain place,
- 12 they could stay there. Those who had to go to other places, they
- 13 might leave at that time. So there was nothing clear at that
- 14 time. So I met my siblings, my relatives there, so I decided to
- 15 stay there temporarily.
- 16 Q. So, then, is your earlier testimony a little bit incorrect?
- 17 You didn't ask anyone to be allowed to stay there; you simply
- 18 decided to stay there by yourself.
- 19 A. That is correct. I stayed there temporarily; because I did not
- 20 intend to stay there for long because I wanted to leave for my
- 21 hometown. But since I met my relatives over there, I decided to
- 22 stay there with them, and then my relatives also agreed to
- 23 accommodate me.
- 24 [10.41.31]
- Q. You were born in Kampot; is that correct?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 A. (Microphone not activated)
- 2 Q. We just have to wait for the microphone.
- 3 A. Yes, I was born in Kampot province, in Chhuk district.
- 4 Q. You just said you wanted to go to Kampot. Why did you not go
- 5 to Kampot?
- 6 A. Because, when I left my home, I was guarded somewhere in Chbar
- 7 Ampov. I actually intended to go to Takhmau, but since it was so
- 8 crowded and packed with people at that time, so they pushed us
- 9 and then we had to walk, and we could not turn back because the
- 10 road was blocked and it was so crowded, so I had to cross the
- 11 bridge over there, and eventually I got to Chbar Ampov.
- 12 [10.42.46]
- 13 Q. Thank you.
- 14 You said to my colleague -- I believe, this morning -- that you
- 15 were transferred to a second cooperative after some time. Could
- 16 you tell us who it was that transferred you there?
- 17 A. I did not know.
- 18 Q. Well, did anyone tell you that you had to move? Or how did it
- 19 happen that you moved to another cooperative?
- 20 A. There was a friend of mine who was in Phnom Penh. I did not
- 21 know his position at that time, but he came to tell me that I had
- 22 to be prepared to leave the cooperative and return to Phnom Penh.
- 23 That was all he told me.
- 24 Q. I just want to -- I think you're one step ahead of me,
- 25 perhaps. I was referring to your relocation from Kien Svay to a

- 1 cooperative in the south of Phnom Penh. That particular
- 2 relocation, do you recall who told you to go to another
- 3 cooperative?
- 4 [10.44.47]
- 5 MR. PRESIDENT:
- 6 The witness need not answer this question because it was once
- 7 asked by the national prosecutor. The question is repetitive.
- 8 BY MR. ABDULHAK:
- 9 Thank you.
- 10 Q. You said to us also that, at the second cooperative, you were
- 11 asked to write a biography and you didn't know who it was sent
- 12 to. But did you know what the purpose was of your writing a
- 13 biography?
- 14 [10.45.44]
- 15 A. When I got there, everyone had to do it. Whether they be
- 16 intellectuals or peasants, everyone had to do the job. Other
- 17 farmers or peasants did not know how to read and write, but then
- 18 they asked me to have them write it down. And I did not know
- 19 where the chief of cooperative would take it to, but we all had
- 20 to do it.
- 21 Q. And were you told what you needed to write in this biography
- 22 or did you simply write it as you thought appropriate?
- 23 A. They told us; they told us to write that biography.
- 24 Q. And I do appreciate we're discussing events that took place a
- 25 long time ago, but if you're able to recall for us, what were the

- 1 things that you had to write?
- 2 A. We had to start from our personal details, our names, our
- 3 birthplace, our education level, and our work as well. So these
- 4 are some of the details, for example, before we left for the
- 5 cooperative, where we worked.
- 6 MR. PRESIDENT:
- 7 The time is now appropriate for adjournment. We will resume at
- 8 five past 11.
- 9 Court Officer, please facilitate the witness and his duty counsel
- 10 to relax and refresh himself and bring them back to the Court
- 11 before we resume. Thank you.
- 12 (Court recesses from 1048H to 1106H)
- 13 MR. PRESIDENT:
- 14 Please be seated. The Court is now back in session.
- 15 I hand over the floor to the Prosecution to continue his line of
- 16 questioning. You may proceed.
- 17 BY MR. ABDULHAK:
- 18 Thank you, Mr. President.
- 19 Q. Mr. Sar Kimlomouth, we might now move on to your work in Phnom
- 20 Penh when you returned to the city from the second cooperative.
- 21 [11.07.45]
- 22 Do you recall the month and year when you returned to Phnom Penh?
- 23 MR. SAR KIMLOMOUTH:
- 24 A. I cannot recall the month, but what I can recall was that it
- 25 was sometime in early 1976. It was after the harvest season, and

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 following the harvest we -- I was called back to Phnom Penh.
- 2 Q. Thank you. Now, upon your return to Phnom Penh, you said to us
- 3 that you met -- you stayed near the Industry of Committee
- 4 compound and you met An, who was the Chairman of the Industry
- 5 Committee. And you also said to us that you knew at the time that
- 6 Doeun was Chairman of Commerce and lastly that Vorn Vet was, I
- 7 believe you said, in charge of the Economy. Am I summarizing your
- 8 evidence this morning correctly?
- 9 [11.09.31]
- 10 A. To my knowledge, Vorn Vet was not the Chairman of Commerce,
- 11 but he oversaw both commerce and industry affairs. And in terms
- 12 of economies, economy encompassed the commerce and industry.
- 13 Q. Thank you very much for being so specific.
- 14 Now, because we are discussing a structure which involves a
- 15 number of committees and upper bodies and subordinate bodies, I
- 16 want to see if we can have your assistance with identifying a few
- 17 people and their roles from documents that you've been shown
- 18 previously.
- 19 Mr. President, with your permission, I'd like to show the witness
- 20 documents, IS 13.2, which is also admitted as E3/182. This is a
- 21 minute of a meeting of the Standing Committee dated the 9th of
- 22 October 1975.
- 23 [11.11.00]
- 24 MR. PRESIDENT:
- 25 Yes, you may proceed.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 MR. ABDULHAK:
- 2 Thank you, Mr. President. We do have a hard copy. If the court
- 3 officer could assist us? And these are fairly old documents.
- 4 MR. PRESIDENT:
- 5 Court officer is instructed to take the document from the
- 6 Prosecution and present it to the witness.
- 7 [11.11.42]
- 8 BY MR. ABDULHAK:
- 9 Q. Now, Mr. Sar Kimlomouth, we're not going to deal with this
- 10 document in any great detail. I just wanted to see if you could
- 11 assist us with some of the names that appear on the first page,
- 12 that's correct, where there is a delegation of authorities, or
- 13 rather work to a number of people.
- 14 Do you recognize, under number 3, Comrade Van? Do you recognize
- 15 that person? It states he's in charge of Foreign Affairs work,
- 16 both Party and State?
- 17 MR. SAR KIMLOMOUTH:
- 18 A. I have to make it clear from an outset that I had never seen
- 19 this document, and I was not involved in the meeting of the
- 20 Standing Committee. And number 3 -- the person in number 3,
- 21 Comrade Van, Foreign Affairs work, both Party and the State -- of
- 22 course I do see this name on this paper. But what your question
- 23 really is?
- 24 Q. Just who that person is. And if you're not sure, just say
- 25 you're not sure.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 [11.13.40]
- 2 A. I am not sure.
- 3 Q. Other -- under number 4, we have Comrade Hem. Would that be
- 4 the same Hem that you were discussing earlier, and he's described
- 5 here as being responsible for the Front and the Royal Government
- 6 and Commerce for Accounting and Pricing?
- 7 MR. PRESIDENT:
- 8 Witness, please hold on. The International Defence Counsel for
- 9 Nuon Chea, you may proceed.
- 10 [11.14.23]
- 11 MR. PESTMAN:
- 12 Thank you, Mr. President. I object to this question.
- 13 The witness has indicated that he has never seen this document
- 14 before, and the prosecutor is now simply trying to make the
- 15 witness speculate as to whether one person that's mentioned in
- 16 the document is another person that he has spoken about
- 17 previously. If the witness does not know this document, he cannot
- 18 in that way speculate.
- 19 And further to your earlier rulings, I also think that there was
- 20 a question that these documents had to be removed. I know these
- 21 rules change almost by the week, but I would like to have your
- 22 opinion on that matter.
- 23 Regardless of that second issue, I think this specific question
- 24 should not be allowed. Thank you.
- 25 [11.15.08]

- 1 MR. ABDULHAK:
- 2 Mr. President, just--
- 3 MR. PRESIDENT:
- 4 The National Defence Counsel for Khieu Samphan, you may proceed.
- 5 MR. KONG SAM ONN:
- 6 Thank you, Mr. President. I would like to add to my esteemed
- 7 colleague.
- 8 The witness did not say that Brother Hem was responsible for the
- 9 Front and the Royal Government; he never stated so. So this was
- 10 the question put by the Prosecution, and the Prosecution read it
- 11 out. It was a leading question.
- 12 MR. PRESIDENT:
- 13 Thank you.
- 14 Prosecution, do you have any response to the objections?
- 15 MR. ABDULHAK:
- 16 Yes, Your Honours.
- 17 First of all, our interpretation of the Chamber's rulings is
- 18 that, if there is a reasonable nexus between the witness and the
- 19 contents of a document, then it's proper to ask him about the
- 20 document.
- 21 [11.16.15]
- 22 But even more specifically, returning to the objection of my
- 23 friend, counsel for Nuon Chea, this document has been shown to
- 24 the witness, he has seen it before, and it's it is referred to
- 25 it his first record of interview with the Co Investigating

- 1 Judges. So, as a matter of form, he has in fact seen the
- 2 document.
- 3 Secondly, returning to the objection by my friend, counsel for
- 4 Khieu Samphan, we're not suggesting anything to the witness; I'm
- 5 simply asking him -- and if you recall my prior insisting that
- 6 the witness, I said if he's not sure, I asked him to say that he
- 7 wasn't sure.
- 8 What we're trying to do is simply see if people that are
- 9 mentioned in this document may be people that the witness
- 10 recognizes. If he doesn't we will move on.
- 11 [11.17.16]
- 12 MR. PRESIDENT:
- 13 Witness, please look at the document again and see if you have
- 14 seen this document before, particularly when you were interviewed
- 15 by the Office of Co Investigating Judges.
- 16 MR. SAR KIMLOMOUTH:
- 17 Mr. President, when I was interviewed by the Office of Co
- 18 Investigating Judges, I was not presented with this document.
- 19 In terms of the work -- internal work arrangement of the Front, I
- 20 did not know, and I only saw this document this morning.
- 21 MR. PRESIDENT:
- 22 The objections by the two defence teams is sustained.
- 23 The court officer is now instructed to remove the document from
- 24 the witness.
- 25 And, assistant, please withdraw the document from the computer

- 1 screens.
- 2 [11.18.35]
- 3 MR. ABDULHAK:
- 4 Thank you, Mr. President. I do note for the record that, at
- 5 question and answer 36 of his interview, the witness discussed
- 6 this document with the Co Investigating Judges. But we will
- 7 respect your ruling and move on.
- 8 BY MR. ABDULHAK:
- 9 Q. Mr. Sar Kimlomouth, we might move on to another document that
- 10 you have been shown.
- 11 And, Mr. President, with your permission, this is E3/235. Now, it
- 12 was shown to the witness in his second interview, and at that
- 13 point it was given the number D279/7.1. So I just want to clarify
- 14 that in advance of any objections.
- 15 It's another minute or summary of decisions of the Standing
- 16 Committee, and it lists a number of committees which the witness
- 17 has been describing. With your permission, I'd like to show the
- 18 witness this document.
- 19 [11.20.10]
- 20 MR. PRESIDENT:
- 21 The Chamber grants leave for the Prosecution to present the
- 22 document in hard copy first to the witness and check if the
- 23 witness has seen this document before.
- 24 MR. SAR KIMLOMOUTH:
- 25 (Microphone not activated)

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 MR. ABDULHAK:
- 2 I'm sorry; I don't think we heard a response.
- 3 [11.21.28]
- 4 MR. SAR KIMLOMOUTH:
- 5 I have never seen this document before.
- 6 MR. ABDULHAK:
- 7 Mr. President, if I may just clarify, I'm not entirely surprised
- 8 that the witness doesn't recall -- he was shown 26 documents over
- 9 a course of two days -- but the document is referred to in D279/7
- 10 -- rather, D279/7, which is his OCIJ interview.
- 11 I don't propose to lead the witness in any inappropriate manner,
- 12 but these -- the document has been seen by him, and it actually
- 13 deals with matters that he has been discussing and I think it's
- 14 appropriate to simply ask him if he's able to assist us further.
- 15 And, in fact, the witness does -- the document does bear the
- 16 witness's signature in that version that was filed on the case
- 17 file.
- 18 [11.22.30]
- 19 MR. PRESIDENT:
- 20 Does this document being put before the witness carry the
- 21 signature of the witness when it was presented to him by the
- 22 Office of Co Investigating Judges?
- 23 MR. ABDULHAK:
- 24 Yes, Mr. President. If you wish, we can retrieve that from the
- 25 case file. We have possibly another printout. Often these

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 documents have more than one number, but if you wish, we can find
- 2 that very quickly. But by -- as a matter of--
- 3 MR. PRESIDENT:
- 4 Court officer is now instructed to remove this document from the
- 5 witness because the witness has made it expressly clear that he
- 6 has never read this document before.
- 7 [11.24.00]
- 8 BY MR. ABDULHAK:
- 9 Thank you, Mr. President.
- 10 Q. Do you know whether Khieu Samphan, alias Hem, held any
- 11 positions or any functions within the Commerce or Economy
- 12 Committees?
- 13 MR. SAR KIMLOMOUTH:
- 14 A. I do not have any documentary evidence to confirm it, but I
- 15 did see some document presented to me by the Office of Co
- 16 Investigating Judges concerning Brother Hem. Because, in those
- 17 documents, I learned that certain documents were sent with the
- 18 attention to Hem -- Brother Hem and Brother Van.
- 19 I knew that Brother Hem must have had something to do with the
- 20 Economy Affairs or Commerce Affair, but as for his precise role,
- 21 I did not know, because I noted that certain documents were
- 22 addressed to both Brother Hem and Brother Van.
- 23 [11.26.23]
- 24 MR. ABDULHAK:
- 25 Just to clarify this issue a little bit further, Mr. President,

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 I'd like to show the witness his OCIJ statement, D279/6 -- D279/6
- 2 -- where the witness has also dealt with this same topic.
- 3 MR. PRESIDENT:
- 4 (No interpretation)
- 5 (Judges deliberate)
- 6 [11.26.52]
- 7 I would like to hand over to Judge Silvia Cartwright to proceed.
- 8 JUDGE CARTWRIGHT:
- 9 Thank you, President.
- 10 [11.33.10]
- 11 It's become apparent that there may have been some
- 12 misunderstandings as the result of translation over the status of
- 13 at least two documents referred to by the prosecutors.
- I have notes that they were E3/235 and D/--D279/6, but I may
- 15 not have got it down accurately.
- 16 The misunderstanding, which gave rise to the President's ruling,
- 17 was whether those documents had in fact been put to the witness
- 18 during the investigation, and I think that the prosecutor -- it
- 19 would be helpful if you would make it clear exactly the status of
- 20 those documents.
- 21 And then the Chamber refers to its earlier ruling on the use of
- 22 documents which might not have been seen ever by a witness
- 23 previously, and in that ruling, the Chamber, nonetheless, ruled
- 24 that these documents may be used as the basis for questioning
- 25 should this be relevant to the proceedings.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 So, Prosecutor, could you just clarify very simply for us what
- 2 the situation is? Thank you.
- 3 [11.34.48]
- 4 MR. ABDULHAK:
- 5 Thank you, Judge Cartwright. And in -- in the brief pause that we
- 6 had, we've been able to retrieve the actual hard copies that were
- 7 -- that were shown to the witness.
- 8 The first document, which was a October 1975 minute of the
- 9 Standing Committee, is D279/6.1 and it is rather confusing
- 10 because all of these documents have several numbers. Now, that
- 11 version, D279/6.1, bears the witness' signature on the first page
- 12 as well as a note by the investigator indicating that this is the
- 13 document that was being discussed.
- 14 And moving on to the second document that I was intending to
- 15 show, this was D279/7.1, and, again, that document, on the front
- 16 page, has both the signature of the witness and of the OCIJ
- 17 investigator.
- 18 [11.36.08]
- 19 I do apologize if I was using E3 numbers; we're trying to give
- 20 the current document number, but obviously that number was
- 21 created subsequently, whereas these two D numbers, if you look up
- 22 those copies, you will see that -- and I have them now, if the
- 23 Chamber wishes to examine them -- that the witness has signed
- 24 these documents.
- 25 MR. PRESIDENT:

- 1 Counsel for Khieu Samphan, you may now proceed.
- 2 MS. GUISSÉ:
- 3 Thank you very much, Mr. President. Forgive me for interrupting,
- 4 but I believe that my following comments are of interest to all
- 5 parties involved.
- 6 I wish to draw your attention to what has been observed by a
- 7 member of my team to the Khmer channel. It appears that one of
- 8 the answers of the witness has not been translated entirely in
- 9 French and English, particularly when he mentioned the documents,
- 10 he stated or, rather, the original Khmer wouldn't reveal that
- 11 certain documents were presented to him, and that only particular
- 12 segments of those documents were presented to him. I believe that
- 13 for the interest of clarity during these proceedings the
- 14 Co-Prosecutor could perhaps draw his attention to that.
- 15 [11.37.43]
- 16 Once again, the entirety of the witness' answer in Khmer has not
- 17 been translated in its entirety in the other two working
- 18 languages of this Court. Thank you very much, Mr. President.
- 19 MR. KARNAVAS:
- 20 Mr. President, if I may, for one second. The witness, however,
- 21 has also indicated that he had no prior knowledge; then upon
- 22 being shown documents by the investigators, he learned certain
- 23 things for the first time. In a sense, inadvertently, the
- 24 investigators created a memory to the witness. Now, the questions
- 25 ought to be very precise; what he knew at the time. Frankly, I

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 think it is not necessary to show the documents. They can go down
- 2 the list of the names, but it is obvious that we cannot be asking
- 3 the gentleman what he learned subsequent to being shown documents
- 4 by the investigators. We're here to get the facts from his memory
- 5 as he knew them, at the time; not facts that were created, in his
- 6 memory, subsequent, as a result of the investigation. Thank you.
- 7 [11.38.58]
- 8 MR. ABDULHAK:
- 9 Mr. President, I do believe my learned friends are trying to tie
- 10 our hands here. The witness did say earlier that he learned
- 11 information from the -- from the documents he was shown, but that
- 12 inference simply does not flow from his statement. The witness
- 13 may be forgetting or -- or confusing his responses, but we simply
- 14 -- this is one of the reasons that we need to discuss these
- 15 matters and show the witness his prior statements.
- 16 For a witness to simply say, "I never saw a document", when we
- 17 have evidence otherwise, or for him to claim that he only learned
- 18 things from documents, when we will show through other evidence
- 19 that otherwise may well be the case-- We cannot simply rest with
- 20 whatever the witness tells us; we need to be able to test,
- 21 reasonably, the witness' recollection and -- and, frankly, his
- 22 credibility if necessary.
- 23 [11.40.19]
- 24 MR. PRESIDENT:
- 25 Mr. Co-Prosecutor, you may proceed with your questions to the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 witness.
- 2 BY MR. ABDULHAK:
- 3 Thank you, Your Honour.
- 4 Q. Mr. Witness, if we could--
- 5 Just as a refresher -- we've had a break -- could you recall for
- 6 us what you knew as to Khieu Samphan alias Hem's role, if any, in
- 7 relation to commerce and the economy matters?
- 8 [11.41.20]
- 9 MR. SAR KIMLOMOUTH:
- 10 A. First of all, allow me to specify on a few things concerning
- 11 the documents given to me by the Co -- by the Investigating
- 12 Judges.
- 13 Sometimes, the whole documents were presented to me but, at some
- 14 point, only a portion of the annotations were presented to me.
- 15 And at that time I was at the very lower level; I was not engaged
- 16 in the Standing Committee to know the affairs of such things. So
- 17 I sometime have to ask myself, because I don't understand why
- 18 should I know about this, because the meetings were held among
- 19 the Standing Committee members and I was at the very lower level
- 20 and I it was too low to understand what the meetings could
- 21 have been about.
- 22 So, if you would like to challenge me on this, I would like to
- 23 see the writing in which my signature could have appeared.
- 24 Q. Thank you, Mr. Sar Kimlomouth. I -- we really -- all we need
- 25 from you is your knowledge as it was at the time and if and where

- 1 you have learned facts subsequently and, please, indicate so, and
- 2 we'll just return to -- to some of these documents.
- 3 [11.43.08]
- 4 Now, I want to say to you so that we're clear: we're not alleging
- 5 that you were a senior cadre; that is not our view that you were
- 6 a very high-ranking cadre; we simply look at some of the
- 7 documents that we'll be discussing and wish to obtain your
- 8 assistance where we think you may have knowledge of the
- 9 documents.
- 10 And could -- could I restate my question then? What did you know
- 11 of Khieu Samphan alias Hem's role, if any, in relation to matters
- of commerce, industry, and economy?
- 13 A. I read the documents given to me by the Co rather, the
- 14 Co-Investigating Judges concerning the annotations, for example,
- 15 by Van Rith, Vorn Vet or Hem, so I believe that, based on that,
- 16 they could have been engaged in the economy section. And I could
- 17 not elaborate further than that.
- 18 Q. Thank you. And -- and did you base that -- those conclusions
- 19 on your experience when working in Phnom Penh from '76 to '79 as
- 20 well as the documents you were being shown?
- 21 A. I think I refer to the documents presented to me more than my
- 22 actual experience back then because I did not have a -- have
- 23 meetings with Vorn Vet or these people and that, upon having seen
- 24 the documents presented to me, I could see the communication
- 25 channel between Van Rith and other people involved.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 [11.45.36]
- 2 MR. ABDULHAK:
- 3 Thank you.
- 4 Now, just by way of elucidating a little bit further, your role
- 5 and what you may have known back in 1976, Mr. President, I'd like
- 6 to return now to D279/7.1. This is the document I mentioned
- 7 earlier. It -- it was discussed with the witness in his second --
- 8 second interview, and for reasons that will become apparent, I
- 9 believe that the witness will be able to assist us with just one
- 10 or two sections of this document.
- 11 Do I have permission to show it to the -- to the witness, Your
- 12 Honour? D279/7.1. I should say it's a summary of decisions of the
- 13 Standing Committee of the 19th to the 21st April 1976.
- 14 (Judges deliberate)
- 15 [11.46.55]
- 16 MR. PRESIDENT:
- 17 You may proceed.
- 18 MR. ABDULHAK:
- 19 Thank you, Your Honour.
- 20 If the court officer could show this document to the witness?
- 21 And, Mr. President, it -- it may also be convenient if we show
- 22 this on the screen so that everyone else can see what the
- 23 sections that I'm asking the witness about. So, with your
- 24 permission, we would like to show this on the screen.
- 25 MR. PRESIDENT:

- 1 You may proceed.
- 2 BY MR. ABDULHAK:
- 3 Thank you, Mr. President.
- 4 [11.47.54]
- 5 Q. Now, Mr. Sar Kimlomouth, this document states, at number  $1\ --$
- 6 and I will read it for those who are unable to read the Khmer
- 7 language: "Preparations to Organize Various Committees
- 8 Surrounding Office 870."
- 9 Now, you've already said to us that you knew Van Rith, who is
- 10 listed here, as the highest ranking member of the Commerce
- 11 Committee. You've also indicated to us that you knew Comrade
- 12 Krin, who was listed at number 6, as the Secretary of the Port
- 13 Committee, and you also have referred to Comrade An, who was the
- 14 -- and is identified here as -- in the same way you've described
- 15 him -- Secretary of the Industry Committee.
- 16 What I would like to do is move from that section a little bit
- 17 further down in the document, which is a section that starts with
- 18 the Roman numeral IV, and it starts with the words "On Commerce
- 19 and Industry". This should be ERN -- in Khmer, ERN 00019146, and
- 20 that should be on the screen shortly.
- 21 [11.49.41]
- 22 Now, under Roman numeral IV -- and I will read it -- I will read
- 23 it in English. It will be on the screen, Mr. Sar Kimlomouth, and
- 24 also it is in front of you. We're looking at a section that
- 25 starts with Roman numeral number IV, "On Commerce and Industry".

- 1 Number 1 starts with "Regarding the Korean Commercial Delegation"
- 2 -- and we will skip that section just for a moment; number 2,
- 3 "Regarding the Chinese Commercial Delegation"; and that then
- 4 starts over the page on 00019147, and I will just read the
- 5 sentence out for the benefit of those who may not be able to read
- 6 Khmer:
- 7 "Organize a delegation to receive and negotiate, Comrade Doeun,
- 8 Comrade Krin, Comrade Say, Comrade Chhoeun, Comrade Hok, one
- 9 person from foreign affairs, and Comrade Lomouth."
- 10 Do you see that, Mr. Witness?
- 11 A. (Microphone not activated)
- 12 Q. If you could just repeat your answer; do you see that in the
- 13 section?
- 14 A. I see that. Perhaps there is a translation problem because,
- 15 here, we see a person from the foreign affairs, then Lomouth, but
- 16 let -- let me explain. I saw this document and I confirmed
- 17 individual persons including Rith, Krin, and other and I also
- 18 made it clear, at that time, that I had never seen the document
- 19 before. I only came to learn about the document when I was
- 20 presented to me only and I was asked whether I recognized these
- 21 people and I confirmed, but I did not engage in the meeting.
- 22 [11.52.22]
- 23 During the investigation phase and the interviews, there were a
- 24 lot of documents being presented to me; some documents were
- 25 presented to me in full, some were not given to me. So, when it

- 1 comes to the issues concerning the Standing Committee, I'm afraid
- 2 I don't know much about this. I was asked about these individuals
- 3 name, Krin, Rith, and An, and I had already confirmed that I --
- 4 on this.
- 5 And this document, somehow, was not presented to me at that time,
- 6 because it reads that a person from the Ministry of Foreign
- 7 Affairs and my name appeared; I never worked at the Ministry of
- 8 Foreign Affairs. I remember that on one occasion there were
- 9 visitors who spoke Korean, and no one could be able to provide
- 10 the rendition, so I was needed to assist. I was asked from the
- 11 bank. I could speak French very well, so whenever delegation -- a
- 12 French delegation was in the country and interpreters needed, I
- 13 would be picked from the bank to assist.
- 14 [11.53.55]
- 15 Q. Thank you very much. My question wasn't so much whether you
- 16 recall seeing that particular passage and we do note your
- 17 evidence that you didn't attend these meetings and we accept
- 18 that. I just -- I'm recalling that earlier, you said to us, I
- 19 believe, that you participated in meetings with foreign Chinese
- 20 delegations, I think you said, and it appears to me that that --
- 21 this -- this particular passage might be relevant; were you
- 22 informed then, in 1976, that you had been appointed by the
- 23 Standing Committee or were you otherwise told that you were to
- 24 attend these meetings and assist?
- 25 A. I remember having joined in the meeting where Chinese

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 delegation also attended, but in -- not -- not as the capacity as
- 2 the member of the Standing Committee, but in my -- in the meeting
- 3 where member of the Commercial Committee attended and I was there
- 4 as a person who understood banking affairs and I do not know
- 5 whether minutes of the meeting were taken or the content of such
- 6 minutes.
- 7 [11.55.44]
- 8 So, here, in this piece of paper, it is the decision or the
- 9 minutes of the meeting of the Standing Committee and I think when
- 10 delegations met, or foreign delegations met, I could not see
- 11 whether this has something to do with the Standing Committee
- 12 because I have no idea on this. I know no other persons other
- 13 than Van Rith and An and I know that Krin was in charge of the
- 14 port and that's all.
- 15 Q. Thank you. Apart from attending meetings with Chinese
- 16 delegations, did you attend meetings with any other delegations;
- 17 delegations from any other countries?
- 18 A. Yes, I did, in my capacity as an interpreter. For example,
- 19 when people were coming from the East Europe countries, they
- 20 spoke French, so I was there as an interpreter.
- 21 [11.57.26]
- 22 I was joined by another person who also spoke French from the
- 23 Ministry of Foreign Affairs. And, as an interpreter, I couldn't
- 24 do that alone because it was too much for one interpreter to do
- 25 that at -- in the meeting so we normally had two people to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 interpret during the meeting. I worked with my co-interpreter
- 2 whom I don't remember his real name.
- 3 Q. Thank you. Could you recall for us which countries, apart from
- 4 China, you attended meetings with -- just briefly -- which
- 5 countries, apart from China?
- 6 A. There were people from Yuqoslavia and another country in the
- 7 East Europe -- Romania, I guess -- so Yugoslavia, Romania and
- 8 these people from these countries spoke French.
- 9 Q. Thank you.
- 10 Mr. President, at this point, I'd like to show the witness a few
- 11 documents that relate to these meetings. Would you like me to
- 12 continue now? I'm just looking at the time. I'm happy to continue
- if you prefer for us to deal with these now.
- 14 [11.59.20]
- 15 MR. PRESIDENT:
- 16 Since it is now appropriate time for the lunch adjournment, the
- 17 Chamber will adjourn until 1.30 p.m.
- 18 Court officer is now instructed to assist the witness during this
- 19 lunch break and also have them return to the courtroom by 1.30
- 20 p.m.
- 21 Counsel for Mr. Nuon Chea, you may now proceed.
- 22 MR. PAUW:
- 23 Mr. President, Nuon Chea would like to attend this afternoon's
- 24 hearings from his holding cell with your permission, and we have
- 25 the waiver here. And we can file it with you straight away.

- 1 MR. PRESIDENT:
- 2 Thank you, Counsel.
- 3 The Chamber has noted the request from Nuon Chea through his
- 4 counsel. He asked that he be excused from the courtroom. He has
- 5 waived his right to be present in the courtroom and has asked
- 6 that he be allowed to observe the proceedings from downstairs
- 7 from his holding cell.
- 8 [12.00.49]
- 9 Counsel indicated that his waiver has already been prepared and
- 10 signed by Mr. Nuon Chea. The Chamber notes this very well, and
- 11 therefore grants such request. Mr. Nuon Chea is now allowed to
- 12 observe the proceedings from his holding cell through the
- 13 audio-visual link for the remainder of the day.
- 14 Counsels for Nuon Chea are now instructed to produce this waiver
- 15 signed or given thumbprint by Mr. Nuon Chea.
- 16 AV booth officials are now instructed to ensure that the AV -- or
- 17 audio-visual equipment linked to the holding cell so that Mr.
- 18 Nuon Chea can observe the proceedings from there.
- 19 [12.01.43]
- 20 Security personnels are now instructed to bring Mr. Nuon Chea and
- 21 Khieu Samphan to their holding cells and have Mr. Khieu Samphan
- 22 returned alone to the courtroom in the afternoon session, when we
- 23 next resume the sessions by 1.30 p.m.
- 24 The Court is adjourned.
- 25 (Court recesses from 1202H to 1331H)

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 MR. PRESIDENT:
- 2 Please be seated. The Court is now back in session.
- 3 And we would like to hand over to the prosecutors to proceed with
- 4 the questions to the witness. You may now proceed.
- 5 BY MR. ABDULHAK:
- 6 Thank you, Mr. President. And good afternoon, Mr. Sar Kimlomouth.
- 7 Q. We were discussing before the break some of the committees
- 8 such as the Commerce Committee and the Industry Committee.
- 9 Now, what I would like to do just before we return to issues of
- 10 structure in terms of senior people on these committees, I just
- 11 want to see if you can assist us a little bit with the Commerce
- 12 Committee itself, what it did, where it was located, etc. So just
- 13 if you could first tell us where the Commerce Committee was
- 14 located in 1976 when you were in Phnom Penh?
- 15 [13.33.34]
- 16 MR. SAR KIMLOMOUTH:
- 17 A. In 1976, after I returned from the cooperative to work there,
- 18 I noted that the committee was located at the vicinity near Psar
- 19 Chas. It is now the insurance company, and I don't remember on
- 20 which building the Commerce Committee was once housed, but it
- 21 could have been somewhere near that main buildings.
- 22 And later on it was moved to -- or relocated to the Ministry of
- 23 National Defense compound. So first it was at the location I
- 24 mentioned earlier, next to the current insurance company, and
- 25 later on moved to the defense -- national defense section or

- 1 compound.
- 2 And at the old premise, Mr. Doeun was the head of the committee.
- 3 And I don't know who else was the heads.
- 4 Q. When you say "the Ministry of Defense", would that be on the
- 5 Russian Boulevard in Phnom Penh, as the street is called today?
- 6 A. Yes, it is correct.
- 7 [13.35.17]
- 8 Q. Thank you very much. As far as you knew and as far as you
- 9 recall, how large was the committee?
- 10 Of course, you said to us that the terms used at the time were
- 11 "committee", whereas today we would use the term "ministry". So,
- 12 given that the Commerce Committee was, in reality, a ministry,
- 13 could you tell the Court how large it was, how many staff
- 14 employed, as far as you knew?
- 15 A. I do not know how many people were in the committee. I haven't
- 16 been familiar with details of the composition of the committee as
- 17 were indicated in the text before me. And later on, I came to
- 18 know Mr. Van Rith, who also involved in the committee.
- 19 And at that time, I would not ask for further information because
- 20 it was none of my business anyway.
- 21 Q. My question was really about the staff, ordinary people that
- 22 were working there, not so much the -- the three members of the
- 23 committee at the top. I was wondering if you were able to
- 24 estimate roughly how many people were working -- ordinary cadre,
- 25 ordinary people.

- 1 [13.36.57]
- 2 A. With regard to the ordinary staffer, I think there were about
- 3 120 people; not more than that. And they -- the sections were
- 4 classified into foreign commercial section and also another
- 5 section. And I can't say exactly how many people would be
- 6 recruited in each respective section.
- 7 And as I indicated, there was a section called the foreign
- 8 commercial section, and I do not know whether this section was
- 9 also in the same compound in Phnom Penh or elsewhere.
- 10 Q. Thank you.
- 11 You've said to us this morning, I think, that the bank in which
- 12 you worked was subordinate to the Commerce Ministry or Committee.
- 13 Were you part of one of these two branches that you described to
- 14 us, or was the bank separate?
- 15 A. The bank was not under any part of the Commerce Committee. It
- 16 was a separate institution. So I can say that the bank was not
- 17 engaged in any way with the Commerce Committee.
- 18 [13.39.04]
- 19 Q. Thank you. And just if we can explore a little bit further the
- 20 offices of the committee or ministry, or -- I apologize; I'll
- 21 just return to another question first.
- 22 Could you describe for us what was -- what were the tasks of that
- 23 Ministry or Commerce Committee? What did it do?
- 24 A. I cannot give you the detailed information on this because
- 25 this task was a unique one that belonged to the Commerce

- 1 Committee, and the Commerce Committee could also be divided into
- 2 different sections. And how work arrangement could have been
- 3 taking place, it is not knowledgeable to me. And I, at that time,
- 4 did not interfere in their affairs. I was just the -- doing what
- 5 I was asked to help them.
- 6 [13.40.35]
- 7 Q. But as Deputy Director of the bank, you were -- and correct me
- 8 if I'm wrong -- handling financial transactions or recording
- 9 financial information. And in that, through your work, were you
- 10 able to observe what other parts of the Commerce Ministry were
- 11 doing, such as, for example, the foreign commerce branch?
- 12 A. At that time, we did not have financial tasks. At the -- at
- 13 our place, for example, we were supposed to only produce the
- 14 lists of inventories, the freight to be shipped on the ships. And
- 15 this list should be forwarded to the upper echelon, who would
- 16 make the final decision on them. And we -- in my capacity as
- 17 people who assisted in this work, I would just help when I was
- 18 needed.
- 19 [13.42.12]
- 20 Q. You said to us that you would produce lists of freight when
- 21 required. How would you go about preparing those lists? Where
- 22 would you get your information, and what freight were you
- 23 listing?
- 24 A. The freight includes garments, steel, cement. I don't remember
- 25 the details, but there are a few items included in the list, and

- 1 these items would be registered onto the list. For example, what
- 2 items were being imported, they had to be recorded, and what
- 3 items had to be exported, they had to be also recorded into that
- 4 list.
- 5 Q. Thank you. That's very helpful.
- 6 In recording that information as to what items were to be
- 7 imported, what items were to be exported, were you given that
- 8 information by anyone? How were decisions made on what is to be
- 9 recorded on imports? What is to be recorded on exports?
- 10 A. I don't know who ordered this. Normally, I obtained the
- 11 documents that were delivered to me and I had to record the items
- 12 onto the list. And I never asked where these documents could have
- 13 been sent from.
- 14 [13.44.29]
- 15 Q. Thank you.
- 16 And just one last question on -- while we're on this topic. You
- 17 said to us that, largely, your role was recording information
- 18 which you were given. You said earlier that you were also brought
- 19 back to Phnom Penh because of your banking expertise. So, in that
- 20 -- in your role as Deputy Director of the bank, how did you use
- 21 those expertise, if at all? How did you use your banking
- 22 expertise to facilitate these processes of import and export?
- 23 A. I did not use much of the -- the expertise you mentioned.
- 24 Q. Now, I may just also ask you about other offices that were --
- 25 that may have been involved or assisting in the work of the

- 1 ministry.
- 2 You mentioned earlier today that you had met Comrade Krim during
- 3 a visit to Kampong Som. And, of course, we saw this morning that
- 4 Comrade Krim was appointed, and you say -- this is consistent
- 5 with your testimony. He was appointed head of the Sea Ports
- 6 Committee. Was -- were the sea ports under the Ministry of
- 7 Commerce or did they cooperate otherwise with the Ministry of
- 8 Commerce?
- 9 [13.46.34]
- 10 A. I have no idea whether -- under which section the port would
- 11 be, but I believe that the commerce section and the port could
- 12 have been inter-related. But I just don't know which one was more
- 13 superior than the other.
- 14 Q. Thank you. You've talked to us about imports and exports. Did
- 15 those imports and exports go through the ports, or did they leave
- 16 the country and arrive differently?
- 17 A. I don't know where else goods imported and exported, but I
- 18 believe that goods had to go through this port. I just don't know
- 19 whether goods also were exported at other ports or any other
- 20 locations.
- 21 [13.48.08]
- 22 Q. Now, from your knowledge in creating lists of freight, could
- 23 you recall for us what types of goods were being exported?
- 24 A. Exportation or export affairs were mainly the tasks of the
- 25 foreign commerce section. People at the section were tasked with

- 1 looking at where -- which kind -- or which kind of goods were to
- 2 be exported, and Commerce Committee -- or the bank had nothing to
- 3 do with this. But I believe there could have been some beans,
- 4 rice, which were part of the export products. And the Commerce
- 5 Committee would contact with other people with these -- these
- 6 products to be exported. And the bank would only be contacted
- 7 when necessary, but most of the time the Commerce Committee was
- 8 the one who solely in charge of preparing -- looking into the
- 9 products to be exported.
- 10 [13.49.55]
- 11 And I wish to also add that normally, whenever goods were to be
- 12 exported, then a letter -- a credit letter had to be produced and
- 13 -- through the bank. But that didn't happen because the -- the
- 14 department -- rather, the ministry at that time had to contact
- 15 with outside customers or partners to deal with these businesses.
- 16 And there was no money in the bank, so we could not do much with
- 17 that.
- 18 Q. Mr. Sar Kimlomouth, if the foreign commerce section handled
- 19 these letters of credit and if the bank handled no money, then
- 20 what was the purpose of the bank?
- 21 A. The bank was meant to produce some actual documents like in
- 22 normal cases. However, it was the Commerce Committee who had to
- 23 deal with these affairs. And they had to contact with the upper
- 24 echelon. And whatever they did was beyond my understanding.
- 25 We believed that there was a bank, but as a person who was in

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 charge of the bank alone, I would not be a jack of all trades.
- 2 [13.52.05]
- 3 Q. Of course; we understand that.
- 4 I'd like to show you an extract from one of your prior
- 5 statements, and it's really only to see if we can clarify a point
- 6 where there might be some inconsistency.
- 7 Mr. President, I would like to show the witness his first
- 8 interview with the Co-Investigating Judges, and this is document
- 9 D279/6 -- D279/6. And the section of that document that I would
- 10 like to show the witness is questions and answer 44 and 45.
- 11 MR. PRESIDENT:
- 12 You may proceed.
- 13 Court officer is now instructed to take the document -- the hard
- 14 copy of the document from the Co-Prosecutor and have it presented
- 15 to the witness so that question can be put to him on this.
- 16 (Short pause)
- 17 [13.53.50]
- 18 BY MR. ABDULHAK:
- 19 Q. Now, just to give this some context, Mr. Sar Kimlomouth, I
- 20 might actually return -- start at question and answer 39. And
- 21 it's really only to clarify, largely, technical matters. And, of
- 22 course, we're dealing with matters which did take place a long
- 23 time ago, and these are complex structures.
- 24 At question A39 -- question and answer A39 -- I will actually
- 25 skip the beginning of your response to 39, where there's a

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 reference to Hem because, really, all I'm interested in is the
- 2 second sentence of A39, where you say, "At first" -- that is,
- 3 upon your arrival in Phnom Penh:
- 4 "At first, I was not asked to do anything till the meeting with
- 5 Chinese delegate was conducted. After the meeting, Chinese
- 6 delegate suggested a bank be established to facilitate the
- 7 exports and imports and unit was formed with its official name..."
- 8 [13.55.10]
- 9 And then you went on to say: "...Overseas Commercial Bank of
- 10 Cambodia in which I worked."
- 11 Now, if we -- and I'll just -- I apologize. I will finish that
- 12 quote for completeness:
- 13 "The bank was under the control of Economy Committee or Commerce
- 14 Committee, and I did not know who was the upper echelon and
- 15 controlled me."
- 16 And now I would like to fast forward to question and answer 46:
- 17 Question: "If my understanding is correct, did China provide 140
- 18 million Yuan to establish the Overseas Commercial Bank."
- 19 [13.55.58]
- 20 And response: "To my understanding, you are correct, but I cannot
- 21 confirm the sum. But in conclusion, the bank is needed to do the
- 22 overseas commerce."
- 23 Is this an accurate summary of your explanations given to the
- 24 investigators?
- 25 MR. SAR KIMLOMOUTH:

- 1 A. (Microphone not activated)
- 2 BY MR. ABDULHAK:
- 3 Q. We just have to wait for the microphone, Mr. Kimlomouth.
- 4 I'm just asking you whether the passages I just read were
- 5 accurate, in particular A46.
- 6 MR. SAR KIMLOMOUTH:
- 7 A. Yes, it is correct. However, having read the text again, I
- 8 think I was not complete when giving the statement because at
- 9 that time there were several other questions that led to my
- 10 conclusion to that particular statement.
- 11 And, frankly, at that time I was rather tired, and I was
- 12 bombarded with several documents, and I felt dizzy, so I could
- 13 have said that.
- 14 [13.57.58]
- 15 And I indicated clearly that I had no knowledge of the sum. And I
- 16 -- and with regard to your question whether it is correct to say
- 17 so, and I would just maintain that yes, it is correct because I
- 18 have no idea how much money the Chinese would provide for the
- 19 establishment of the bank. And I never know how much money was
- 20 ever put to create the bank.
- 21 And I think my statement at that time was rather short, and I
- 22 just wish to make some adjustment to it. And I have no basis to
- 23 say the exact amount.
- 24 I'm afraid that, when I said that it was the right amount of
- 25 money the Chinese gave us, then the Chinese could have some kind

- 1 of document to prove that it was not really the real sum. So my
- 2 simple answer is that I was rather exhausted at that time and I
- 3 had to just simply answer to questions. And later on I learned
- 4 that I could have not, for example, answered like that.
- 5 (Microphone not activated)
- 6 [13.59.42]
- 7 Q. We need the microphone, please. If the AV Unit could turn the
- 8 microphone on for the witness? Thank you.
- 9 A. Mr. President, with your permission, I would like to continue
- 10 adding a few more words on this.
- 11 I have never had -- obtained any documents from the Chinese
- 12 people concerning the right amount of money projected for that
- 13 banking section. And again, I wish to reiterate that I did not
- 14 know the exact amount of money. And when I was asked whether it
- 15 was correct to say so and I just say yes. So I wish to correct
- 16 it, that the money was decided by the upper echelon. From what --
- 17 from whom the money could be borrowed, I have no idea. Thank you.
- 18 [14.00.48]
- 19 Q. Thank you. We're really not concerned with the exact -- with
- 20 the exact amount of money, Mr. Sar Kimlomouth. I'm really only
- 21 clarifying the role of the bank, but just to see if we can -- if
- 22 we can refresh your memory with one document, very briefly, and
- 23 then we will move on.
- 24 Mr. President, I'd like to show the witness document Introductory
- 25 Submission 21.93 -- that's 21.93.

- 1 Mr. President, the relevance of this document is that it is a
- 2 document generated by the Ministry of Commerce and it refers to
- 3 the witness, so I just want to clarify this last point in
- 4 relation to the financial matters and then move on. So, with your
- 5 permission, I would show the witness document 21.93.
- 6 MR. PRESIDENT:
- 7 You may proceed.
- 8 Court officer is now instructed to take the document from the
- 9 Prosecution and present it to the witness.
- 10 [14.02.41]
- 11 BY MR. ABDULHAK:
- 12 Q. And I just want to say, Mr. Lomouth, my intention is not to
- 13 challenge your recollection here; I just want to show that your
- 14 recollection in that interview was, indeed, consistent with other
- 15 records.
- 16 Now, this document on the first page--
- 17 If we could have that on the screen, Your Honours, so that all
- 18 parties can see it?
- 19 If the AV Unit could display this document, please? Thank you
- 20 very much.
- 21 On the first page, there, in the heading, on the left-hand side,
- 22 it states: "Democratic Kampuchea Ministry of Commerce". And then,
- 23 in the centre: "Credit expenditure of 114 million Yuan as of 15
- 24 January 1978".
- 25 And then, if we could go to the very last page of this document?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 If you'd just turn to the very last page? That would be one more
- 2 page, Mr. Lomouth, the very last page. One more. One more. On the
- 3 back of the sheet you're looking at.
- 4 [14.04.07]
- 5 There is some handwriting there which indicates expenditure -- or
- 6 perhaps we can ask you what it relates to -- reference to "Bong
- 7 Lomouth". Is that a reference to yourself?
- 8 A. (Microphone not activated)
- 9 Q. We'll just wait for the microphone. If you could--
- 10 A. Yes, it was a reference to me.
- 11 Q. Thank you very much. We don't need that document any more.
- 12 I just wanted to indicate that your recollection in that
- 13 interview did appear to be accurate.
- 14 Now, I'm sorry, if we -- I did skip one point of relevance on
- 15 this document. If we could just have that back on the screen for
- 16 a brief moment?
- 17 [14.05.02]
- 18 And, Mr. Sar Kimlomouth, if you look at the -- I believe it
- 19 should be the top left-hand corner in the Khmer version. There is
- 20 some handwriting there, left-hand side of the first page.
- 21 Diagonally across the page, there is some handwriting.
- 22 If we can show that on the screen so that all parties can see it?
- 23 The AV Unit could just display this document very briefly again
- 24 -- 21.93. Thank you.
- 25 [14.05.51]

- 1 Mr. Lomouth, I'll read to you -- my translation is in English.
- 2 You tell me if it's consistent with how you read those words that
- 3 are handwritten. In English, "Sent to Bong Hem, Vorn..." Then there
- 4 is a signature and a date, 19/2.
- 5 Do you agree with me that that's what it says?
- 6 A. Yes. Yes, I do see it on the page.
- 7 Q. And, based on your experience at the time, do you -- are you
- 8 able to tell us why this type of a document may have been sent to
- 9 Hem and Vorn?
- 10 A. I did not know the real reason, but when they sent it to
- 11 Brother Hem and Brother Vorn, and I think it may have been only
- 12 for their information.
- 13 MR. PRESIDENT:
- 14 The defence counsel is on her feet. You may proceed.
- 15 [14.07.44]
- 16 MS. GUISSÉ:
- 17 Mr. President, thank you for handing me the floor. I again
- 18 apologize for interrupting the Co-Prosecutor, but I object to the
- 19 way the question is being asked.
- 20 The question has already been answered by the witness, and the
- 21 first question the prosecutor should have asked was whether or
- 22 not the witness was familiar with this document because,
- 23 generally speaking, the Co-Prosecutor to date has been asking the
- 24 witness to make assumptions and has not established whether or
- 25 not he, indeed, is the author of these documents. Therefore, for

- 1 the sake of the clarity of these proceedings, the witness should
- 2 not be led to speculate.
- 3 The Co-Prosecutor should be advised to make sure that his
- 4 questions are clear and founded.
- 5 MR. PRESIDENT:
- 6 Thank you, but the defence counsel should have raised the
- 7 objection in a timely manner.
- 8 We, the President of the Chamber, have observed the whole
- 9 proceedings and we will note whether or not any party would raise
- 10 any objection against any document that is put forth by the
- 11 party. But you raise your objection now. It was not in an
- 12 appropriate time, and it was not appropriately raised.
- 13 The prosecutor may now continue, but the Chamber wishes to remind
- 14 that you identify the identity of the document and, before you
- 15 put the questions to the witness, it is important that the
- 16 witness be asked whether or not he or she is familiar with a
- 17 document. And that has been the practice before the Chamber. And
- 18 we have already applied it throughout the proceedings.
- 19 [14.10.35]
- 20 And this issue has happened time and again, so I would like to
- 21 once again remind that you are -- follow the procedures that we
- 22 have applied.
- 23 MR. ABDULHAK:
- 24 Thank you, Mr. President. My approach was simply based on the
- 25 fact that the witness recognized himself in the document, but we

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 -- we will move on.
- 2 BY MR. ABDULHAK:
- 3 Q. If -- did the witness want to say something?
- [14.11.22]4
- MR. SAR KIMLOMOUTH: 5
- A. Mr. President, for this particular document, the investigator, 6
- 7 during their investigation, presented me with a number of
- documents and they asked me to read documents. And upon receiving 8
- this one document from them, I don't know if I cannot recollect 9
- 10 it or not. And I do not contest the veracity of this document,
- 11 but it was at the back page when they mentioned my names and the
- 12 signature. And it was translated into English to Brother Lmut.
- 13 And I was a Cambodian national. I read Khmer, so why wasn't it
- addressed to me in Khmer? 14
- 15 I do -- I, again, am not contesting the veracity of this
- 16 document, but of course, such document was sent to Brother Hem
- 17 and Brother Vorn reporting the transaction of the money usage.
- 18 And we did not keep a record in the bank. When they gave it to
- 19 us, we simply kept it.
- 20 [14.13.02]
- 21 MR. PRESIDENT:
- 22 Well, you should -- Mr. Witness, you should continue to listen to
- 23 the question because the point you just raised was not asked by
- 24 the prosecutor.
- 25 The prosecutor, you may now proceed.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 BY MR. ABDULHAK:
- 2 Thank you. And I do wish to clarify for your reference, Mr.
- 3 Lomouth, the reason for the English words was simply my own
- 4 handwriting, a translation for my benefit. But it was obviously
- 5 there in Khmer as well. We will move on.
- 6 Q. Thus far, we have discussed within the Ministry of Commerce or
- 7 the Commerce Committee a foreign commerce branch. And you
- 8 indicated there was another branch. And you said that the sea
- 9 ports at Kampong Som, you thought, were involved in -- in the
- 10 exporting of goods.
- 11 [14.14.05]
- 12 Apart from these offices, were there other offices that were
- 13 involved, as far as you recall, in the activity of international
- 14 trade, export and import of -- on behalf of Democratic Kampuchea?
- 15 Were there other offices?
- 16 MR. SAR KIMLOMOUTH:
- 17 A. (Microphone not activated)
- 18 I do not know.
- 19 MR. PRESIDENT:
- 20 Mr. Witness, please be reminded once again to please wait until
- 21 your microphone is on. Otherwise, it will not be possible for the
- 22 record and the translation would not get through, either. And it
- 23 would lead to the delay of the proceedings and, in a serious
- 24 case, it would be resulted in the appeal by the party, which may
- 25 continue to delay the proceedings.

- 1 And if you have any difficulty using the mic, then we can ask the
- 2 court officers to arrange the microphone in a manner that is
- 3 convenient for you.
- 4 The Co-Prosecutor, you may continue.
- 5 [14.15.45]
- 6 BY MR. ABDULHAK:
- 7 Thank you, Mr. President.
- 8 Q. Do you recall a -- or, rather, I'll rephrase that: Do you know
- 9 what Ren Fung was?
- 10 MR. SAR KIMLOMOUTH:
- 11 A. During the interview by the investigator of the OCIJ, I cannot
- 12 recall the name of this, but at that time the investigator
- 13 presented me a document, and that document contained this name.
- 14 This name was not of Cambodian name; it was a Chinese name. And I
- 15 explained to the investigator at that time, that was a company
- 16 based in Hong Kong and it was an office that did trading with
- 17 country in the West.
- 18 [14.17.08]
- 19 Q. Thank you very much. Was that office -- or, rather, what was
- 20 the relationship of that office with the Commerce Committee or
- 21 the Ministry of Commerce?
- 22 A. It was the relationship established by the Commerce Committee
- 23 in order to forge trade deals with country in the West. So it was
- 24 under the supervision of the Commerce Committee.
- 25 Q. Thank you very much for that response.

- 1 And just finishing off, if we could, other offices which may
- 2 have, in one way or another, worked with the Ministry of
- 3 Commerce--
- 4 You said to us earlier that the exports included food such as
- 5 beans -- beans and rice. Do you know where that produce was kept
- 6 prior to its -- to its exporting?
- 7 A. I do not know. It was the responsibility of the foreign trade
- 8 committee who was tasked to handle that matters and I did not
- 9 know.
- 10 Q. Did you ever hear of a warehouse at a location called Tuol
- 11 Tumpung?
- 12 A. No, I didn't.
- 13 [14.19.43]
- 14 Q. And what about a location called Kilometre 6? Did you know
- 15 about that location?
- 16 A. Kilometre 6 was a place where -- which where is commonly known
- 17 that a train, you know, went through that particular place, and I
- 18 saw that there could have been a warehouse over there where the
- 19 trains transported goods there.
- 20 Q. Thank you. Do you know whether this particular location was
- 21 used during the 1975 to 1979 period by the Ministry of Commerce?
- 22 A. No, I do not know.
- 23 Q. Thank you very much for these answers.
- 24 Now, just returning to your evidence given earlier in relation to
- 25 the meetings that you attended with foreign delegations, and I

- 1 want to say to you that we accept your evidence, what I would
- 2 like to do now is show you a few documents and see if you can
- 3 assist us in understanding the purpose of those documents.
- 4 Mr. President, I would like to show the witness a number of
- 5 Ministry of Commerce documents, and the first document in the
- 6 series bears the number D248/6.1.11. And, Your Honours, the
- 7 relationship of the document to the witness is he has indicated
- 8 earlier that he attended meetings with foreign delegations. This
- 9 is a minute of such a meeting and it indicates that he attended
- 10 it on the Cambodian side.
- 11 So, Your Honours, with your permission, I would like to show the
- 12 document to the witness and see if he is familiar with it and is
- 13 able to assist us.
- 14 [14.23.06]
- 15 MR. PRESIDENT:
- 16 You may proceed.
- 17 And court officer is now instructed to obtain the document from
- 18 the Prosecution and present it to the witness first.
- 19 And the Prosecution should begin by asking whether or not this
- 20 witness has seen this document before so that the Chamber has the
- 21 basis to decide whether or not this document is subject to
- 22 examination now.
- 23 [14.23.54]
- 24 BY MR. ABDULHAK:
- 25 Q. Mr. Lomouth, if you could take a look at this document -- take

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 your time -- and as instructed by the President, if you could
- 2 tell us whether you recall seeing that document before?
- 3 MR. SAR KIMLOMOUTH:
- A. May I ask for leave from the Chamber to read this document 4
- 5 first, before I can respond to the question?
- 6 (Short pause)
- 7 [14.25.22]
- To my recollection, there was a meeting with the Korean 8
- 9 delegation. As for the detail of the goods or commodities
- 10 purchased at that time, I did not know. And the report was
- 11 prepared by the Commerce Committee, and I was not involved in the
- 12 process of preparing the report with the committee, but I did
- 13 join the Cambodian delegation in discussions with the Korean
- 14 counterparts. And at that time some of the Korean delegates spoke
- 15 French, and I could speak French, so I was asked to engage in the
- 16 discussion.
- 17 MR. PRESIDENT:
- 18 Co-Prosecutor may now put question to this witness.
- 19 MR. ABDULHAK:
- 20 Thank you, Mr. President. And thank you, Mr. Lomouth. I don't
- 21 propose to deal with the detail -- the detailed contents of the
- 22 document. Perhaps, Mr. President, if we can show it on the screen
- 23 it may be of assistance to others in the courtroom? Do we have
- 24 your permission, Mr. President, to show this on the screen?
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 You may proceed. But next time you should seek for leave first
- 2 before the document is displayed on the screens.
- 3 [14.27.45]
- 4 MR. ABDULHAK:
- 5 Thank you. If the AV Unit could project this document now on the
- 6 screen? Thank you. I'll just, for the benefit of--
- 7 We seem to have an objection.
- 8 MR. PRESIDENT:
- 9 The Defence Counsel, you may proceed.
- 10 MR. PESTMAN:
- 11 Thank you, Mr. President. I am not completely clear here. I do
- 12 not think that the witness has answered the question whether he
- 13 has seen this document before. He has talked about the substance
- of the document, but he hasn't answered the question whether this
- 15 document is familiar to him.
- 16 MR. ABDULHAK:
- 17 Mr. President, I think we're really splitting hairs now. Clearly,
- 18 there is a proper foundation for the witness to be asked about
- 19 the document; he participated in the meeting and he recognizes
- 20 the meeting as having taken place.
- 21 MR. PRESIDENT:
- 22 It has already been ruled upon.
- 23 The Prosecution can now put the question to the witness.
- 24 [14.29.13]
- 25 BY MR. ABDULHAK:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Thank you, Mr. President.
- 2 Q. So, returning now to this document, Mr. Lomouth and, again,
- 3 if we can have it on the screen for everyone in the courtroom?
- 4 Mr. Lomouth, again, I'll just read briefly only a couple of lines
- 5 that I'm interested in, in English, and you tell me if they are
- 6 consistent with your reading of the Khmer version. On the left
- 7 hand side, it states that, "The Ministry of Commerce", and in the
- 8 centre, it is addressed to "Respected and Beloved Bong Hem".
- 9 [14.29.54]
- 10 Is that your reading of it as well on the first page? Just that
- 11 top section, at the very centre, the very first line. Yes, thank
- 12 you.
- 13 MR. SAR KIMLOMOUTH:
- 14 A. Yes, we are on the same page.
- 15 Q. Thank you. If we skip now to the last page of that document,
- 16 and if you could also take a look, Mr. Lomouth, and we will show
- 17 it on the screen again, if the AV Unit could show the document
- 18 again for a brief moment. If the AV Unit could now project it,
- 19 please? Thank you.
- 20 I may start with the middle of the page on the left hand side.
- 21 I'll read it for the benefit of those who are not familiar with
- 22 the Khmer language. Just lift that screen a little bit.
- 23 "Sent to Bong Hem, one copy; Bong Vorn, one copy; and 51, one
- 24 copy.".
- 25 Do you see that section Mr. Lomouth?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 [14.31.56]
- 2 A. Yes, I do.
- 3 Q. And do you agree with me that if we look just above that, two
- 4 sentences above that, the letter states -- or the report rather,
- 5 states "Please, Bong, be informed and provide advice." Do you see
- 6 that section? It's just one sentence.
- 7 A. Yes, I do see that.
- 8 Q. Thank you very much. This was, of course, a meeting with a
- 9 Korean delegation as the document states and, just for the
- 10 record, also it indicates on the Cambodian side that it is
- 11 attended by Comrades Rith, Cheng and Lomouth as interpreter.
- 12 [14.33.10]
- 13 At the time -- or since -- did you understand why these reports
- 14 were being prepared for Hem and also sent to Vorn?
- 15 A. I don't know the reason behind this. But normally subordinates
- 16 had to report to their superiors. The reason behind this report
- 17 was not known to me, but as I said, as routines subordinates at
- 18 the Commerce Ministry rather, Commerce Committee had to report
- 19 to the superiors whose name already appeared as Bong Vorn and
- 20 Bong Hem.
- 21 Q. Thank you. So, just to confirm I understood that correctly,
- 22 that would mean that Bong Hem and Bong Vorn were the superiors of
- 23 the Ministry of Commerce, hence the report was being submitted to
- 24 them; is that correct?
- 25 A. Yes, it is.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Q. I am grateful to you. Now, on that last page there was also a
- 2 reference to a copy being sent to 51? I'm just wondering if
- 3 you're able to assist us with that particular designation, what
- 4 51 refers to?
- 5 A. I'm afraid I cannot explain to you on this. I do not know
- 6 whether the code refers to the ministry or to an individual.
- 7 Q. Thank you.
- 8 Now, continuing on this theme, I'd like to show you another
- 9 similar document. And, Mr. President, with your permission we
- 10 wish to now display D366/7.1.160, and the relevance of this
- 11 document to the witness is very much as with the last document.
- 12 It is a Ministry of Commerce report and there is a reference to
- 13 the witness being in attendance in relation to the meeting being
- 14 reported.
- 15 [14.36.20]
- 16 With your permission, we can show the witness the document and
- 17 ask him if he is familiar with the event.
- 18 MR. PRESIDENT:
- 19 You may proceed, but first the document should be presented to
- 20 the witness first to see whether he recognizes.
- 21 Court officer is now instructed to bring the document to him for
- 22 examination.
- 23 [14.36.55]
- 24 BY MR. ABDULHAK:
- 25 Thank you, Mr. President.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Q. And, Mr. Lomouth, as with the last document, if you could
- 2 review this document and tell us if you're familiar with it or
- 3 with the meeting being described?
- 4 [14.37.47]
- 5 MR. SAR KIMLOMOUTH:
- 6 A. I still recall that there was a meeting with the Yugoslav
- 7 delegation concerning the trade, and I was there as an
- 8 interpreter. However, the report was not made known to me, but
- 9 having looked at the content of the report, I agree that these
- 10 things happened.
- 11 MR. ABDULHAK:
- 12 Thank you.
- 13 With your permission, Mr. President, I will continue to ask the
- 14 witness questions about the document.
- 15 MR. PRESIDENT:
- 16 You may proceed.
- 17 Assistant of the prosecutors may now put up the document on the
- 18 screen.
- 19 And AV booth officers are now instructed to also assist to ensure
- 20 that the document is on the screen.
- 21 [14.39.02]
- 22 MR. ABDULHAK:
- 23 Thank you, Mr. President.
- 24 MR. PRESIDENT:
- 25 Co-Prosecutor, please hold on.

- 1 Counsel for Mr. Nuon Chea, you may now proceed.
- 2 MR. PESTMAN:
- 3 Thank you, Mr. President. I do not want to argue that this
- 4 document should be taken away from the witness, but I would like
- 5 to note that this decision does not seem to be in line with
- 6 previous jurisprudence of the Trial Chamber.
- 7 Maybe you can clarify this decision for all of us.
- 8 MR. ABDULHAK:
- 9 Mr. President, our view is that this is entirely consistent with
- 10 the Chamber's prior rulings. The witness has mentioned the
- 11 document, he recognizes the event. There is a -- clearly a proper
- 12 foundation for him to be asked about it. And our submissions is -
- 13 are that this is consistent with your rulings.
- 14 (Judges deliberate)
- 15 [14.40.20]
- 16 MR. PRESIDENT:
- 17 The Chamber would like to inform--
- 18 Mr. Michael Pestman, please be on your feet.
- 19 The jurisprudence or practice the Trial Chamber have referred to
- 20 previously are not the same as the document being put before the
- 21 witness for examination at this moment in time. You should
- 22 reconsider this. This document relates directly to the truth, the
- 23 actual activities in which the witness witnessed, was engaged or
- 24 saw. So the content of the document itself is not that matter,
- 25 but what it matters was the truth concerning the content of that

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 document. And for that reason the Chamber allowed the document to
- 2 be put before the witness and the Chamber for examination. And it
- 3 is different from the previous documents in which witness had
- 4 never knowledge -- had no knowledge or witnessed the content of
- 5 the document.
- 6 [14.43.17]
- 7 So the Chamber rejects such objection, and the objection itself
- 8 was belated.
- 9 Please be seated.
- 10 Counsel for Mr. Khieu Samphan, you may now proceed.
- 11 Could you advise the Chamber on what issue you are now on your
- 12 feet to address -- the same issue or the new one? Please advise
- 13 the Chamber on this before you may proceed.
- 14 [14.44.06]
- 15 MS. GUISSÉ:
- 16 Mr. President, it's another subject, a point of information that
- 17 is important certainly, at least, for the French because, in this
- 18 courtroom, on the subject of this document -- and the document in
- 19 French with ERN 00501192 does not have the translation of the
- 20 handwritten part that is to be found on the Khmer document and
- 21 which is also contained in the English.
- 22 And so, for the clarity of the record and when you retire to
- 23 deliberate, I would think this is worth bearing in mind for the
- 24 sake of the record of this exchange. Thank you.
- 25 MR. PRESIDENT:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Thank you, Counsel.
- 2 It is now appropriate time for the adjournment. The Chamber will
- 3 adjourn for 20 minutes. The next session will be resumed by five
- 4 past 3.
- 5 Court officer is now instructed to assist the witness and his
- 6 duty counsel during the break and have him return to the
- 7 courtroom by the set time.
- 8 The Court is adjourned.
- 9 (Court recesses from 1445H to 1504H)
- 10 MR. PRESIDENT:
- 11 Please be seated. The Court is now back in session.
- 12 International Co-Counsel for Mr. Nuon Chea, you may now proceed,
- 13 but first advise the Chamber on the issue you would like to
- 14 address in brief. Then the Chamber will rule upon to see whether
- 15 you would be allowed the floor to make any statement.
- 16 MR. PAUW:
- 17 Thank you, Mr. President. My apologies to the Prosecution for
- 18 interrupting their questioning at this point, but there never
- 19 seems to be a good time to make these submissions.
- 20 I want to raise one issue that relates to an email received from
- 21 your senior legal officer a weeks ago and we had asked your Trial
- 22 Chamber for further information regarding the email
- 23 communications between Judge Cartwright and Andrew Cayley, and
- 24 particularly focussing on the fact that, judging from the text in
- 25 that email, it would seem that--

- 1 [15.05.59]
- 2 MR. PRESIDENT:
- 3 You are now advised to put that in writing. And any other matter
- 4 that is out of the debate before us today in this courtroom would
- 5 not be allowed.
- 6 You may be seated.
- 7 And, Co-Prosecutor, you may now proceed.
- 8 We have already made it clear and told you that your issue can be
- 9 put in writing and have it submitted before the Chamber and it

- 11 MR. PAUW:

- 13 [15.06.49]
- 14 MR. PRESIDENT:
- 15 You are now you should now be seated. You're not allowed to

- 18 The Prosecutors, you may now proceed.
- 19 BY MR. ABDULHAK:
- 20 Thank you, Mr. President. And good afternoon again, Mr. Sar

- 22 getting tired, so we'll try and proceed slowly. And we do thank
- 23 you for being here to assist us.
- 24 Q. If we can return to the last document, that just prior to
- 25 the break, we were permitted to show it to you. And just for the

- 2 Mr. Lomouth, if you look in the top right hand corner of that
- 3 document the numbers should start with D366. Perhaps the court
- 4 officer can assist?
- 5 [15.08.40]
- 6 And, Mr. President, if we could display the document on the

- 8 MR. PRESIDENT:
- 9 You may proceed.

- 11 that the document is put up on the screen.
- 12 [15.09.28]
- 13 BY MR. ABDULHAK:
- 14 Thank you.
- 15 Q. Mr. Lomouth, we might just take a look at two very brief parts
- 16 of this document. Again, I am going to look at the English
- 17 version. Is the document addressed to respected and beloved
- 18 Brother Hem? At the very top, the very first line, in the centre
- 19 of the -- at the top of the document, in the centre first line:
- 20 "To Respected and Beloved Brother Hem."
- 21 Do you see that?
- 22 MR. SAR KIMLOMOUTH:
- 23 A. Yes, I do. It reads: "To Respected and Beloved Brother Hem."
- 24 Q. And are you able to read the handwriting there on the left
- 25 hand-side or do you want us to read the English and then for you

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 to compare?
- 2 [15.10.42]
- 3 A. I can read it but in Khmer. Indeed, I can do that if you would
- 4 like me to do so. I could not read the initial two letters but it
- 5 reads: "Having sent to Brother Hem and Vorn via K--" something. I
- 6 cannot read the detail.
- 7 "A copy of letter to Yugoslav Ambassador is also attached."
- 8 And, again, I just can't read the "K" code, but it is for sure
- 9 the writing reads that: "Having sent to Brother Hem plus Vorn via
- 10 K -- " something, "a copy of letter to Yugoslav Ambassador is also
- 11 attached."
- 12 [15.11.59]
- 13 Q. Thank you very much. And you said to us that you recall this
- 14 was a meeting with a Yugoslav delegation, and the document
- 15 indicates it was a meeting with the Yugoslav Ambassador.
- 16 If we could look at that first page -- at the same page you're
- 17 looking at, where the report indicates "Remarks by Yugoslav
- 18 Ambassador"-- Do you see that? It's approximately one-third of
- 19 the page down -- "Remarks by Yugoslav Ambassador". Just above the
- 20 middle of the page.
- 21 Oh, I'm sorry, because you're looking at a Khmer version, it
- 22 might actually be slightly -- a slightly different part. I think
- 23 I can see it in Khmer, "Remarks by Yugoslav Ambassador", and then
- 24 "Issue 1". Can you see that? I think it's at the end of that long
- 25 paragraph.

- 1 Perhaps the court officer can assist?
- 2 You see that page?
- 3 [15.13.48]
- 4 A. Yes, I do. If you would like me to read the first issue, I can
- 5 do that for you. It reads: "We have received yesterday a telegram
- 6 on the sale of rice and coffee crops."
- 7 Q. Thank you, Mr. Lomouth. That's the part I was interested in.
- 8 It refers to a sale of rice and coffee crops. Do you recall what
- 9 that discussion was about? Was this rice and coffee being
- 10 exported by Cambodia?
- 11 A. I don't recollect this. I know that it was the sale of rice
- 12 and coffee beans, but I don't remember any details other than
- 13 this.
- 14 Q. And would it be accurate to say, as with the last document,
- 15 that this is, again, a report by the Ministry of Commerce or the
- 16 Commerce Committee to their superior, Brother Hem?
- 17 [15.15.28]
- 18 MR. PRESIDENT:
- 19 Witness, could you please hold on?
- 20 We note that counsel for Mr. Khieu Samphan is on her feet. She
- 21 may now proceed.
- 22 MS. GUISSÉ:
- 23 Yes, indeed, Mr. President, I object this question, which is
- 24 clearly a leading question.
- 25 I would remind counsel that, in the previous question put by the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Co-Prosecutor, he had invited the witness to speculate and to not
- 2 testify on what he had seen and experienced.
- 3 Once again, I raise an objection to this line of questioning.
- 4 MR. ABDULHAK:
- 5 Mr. President, if I may respond briefly, I'm proceeding very
- 6 carefully because I don't want to lead the witness. We have thus
- 7 far heard the witness comment in relation to two documents; that
- 8 the reason they were being submitted to Hem is because Hem was
- 9 the superior. I would not have asked this as an initial question.
- 10 I'm trying to save time. If I have to ask the witness for his
- 11 observations on every document without honing in on a specific
- 12 issue, I think we would just waste time.
- 13 I don't think at this stage anyone can suggest that I'm giving
- 14 the witness new information and leading him. It's simply
- 15 reflective of what he has already said.
- 16 [15.17.07]
- 17 MS. GUISSÉ:
- 18 Mr. President, do I have your leave to reply?
- 19 MR. PRESIDENT:
- 20 No.
- 21 (Judges deliberate)
- 22 [15.17.51]
- 23 MR. PRESIDENT:
- 24 The objection by co-counsel for Mr. Khieu Samphan is not
- 25 sustained.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Witness is now instructed to respond to the question by the
- 2 prosecutor. If witness has not recalled all the question, then
- 3 the prosecutor is now advised to repeat the question to him.
- 4 BY MR. ABDULHAK:
- 5 Q. Mr. Lomouth, would you like me to repeat the question? I will
- 6 do so.
- 7 We've discussed a couple of documents before, and my question was
- 8 simply: Is this another instance of the Ministry of Commerce
- 9 reporting to Brother Hem as their superior? It's my question; is
- 10 that correct or not?
- 11 MR. KONG SAM ONN:
- 12 Mr. President, may I be heard?
- 13 MR. PRESIDENT:
- 14 The issue is the same. The ruling was already made, and that no
- 15 party to the proceeding is allowed to touch upon the same issue
- 16 when it has already been ruled upon.
- 17 Co-Prosecutor may now proceed and witness is instructed to
- 18 respond to the question.
- 19 [15.19.30]
- 20 MR. SAR KIMLOMOUTH:
- 21 A. This document is consistent with my memory.
- 22 BY MR. ABDULHAK:
- 23 Q. Just to confirm, was it being submitted to Brother Hem as the
- 24 superior to the Ministry of Commerce?
- 25 MR. KONG SAM ONN:

- 1 Mr. President, I would like to object to this.
- 2 MR. PRESIDENT:
- 3 Witness, hold on.
- 4 And, Counsel, you may proceed.
- 5 [15.20.15]
- 6 MR. KONG SAM ONN:
- 7 I would like to lodge my objection concerning the use of terms,
- 8 which the prosecutor just indicated. He said that Mr. Hem was the
- 9 superior, but the witness has never indicated that Mr. Hem was
- 10 his superior.
- 11 MR. PRESIDENT:
- 12 Objection is not sustained.
- 13 Witness is now instructed to respond to the question just put to
- 14 him by the prosecutor.
- 15 MR. SAR KIMLOMOUTH:
- 16 A. In the annotation, it addressed Brother Hem and Brother Vorn.
- 17 And the content of the report is consistent with the matters I
- 18 remember having been discussed during the meeting concerning the
- 19 sale of these produce.
- 20 And with regard to the part in the annotation, the "K" portion
- 21 which is not legible -- so I cannot comment on that because I
- 22 couldn't read it.
- 23 So Mr. Van Rith who was also the chief of the Commerce Committee
- 24 was also there.
- 25 [15.21.55]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 BY MR. ABDULHAK:
- 2 Q. Mr. Lomouth, just before we leave this document, I asked you
- 3 earlier, in relation to another report, why Rith was submitting
- 4 documents or reports to Hem and Vorn. You said: "Subordinates had
- 5 to report to their superiors." And then you confirmed that that
- 6 meant that Hem and Vorn were the superiors to whom Van Rith
- 7 reported.
- 8 My question is simply: Is this last document another example of
- 9 Van Rith reporting to these two people as superiors?
- 10 MR. SAR KIMLOMOUTH:
- 11 A. Yes, it is correct.
- 12 [15.22.55]
- 13 BY MR. ABDULHAK:
- 14 Thank you very much, Mr. Lomouth.
- 15 Now, in order to save time, Your Honours, I may just for the
- 16 record read out document numbers. There are three additional
- 17 reports or four that were submitted to Hem, and they are report
- 18 of meetings attended by Mr. Lomouth. I can show all of these
- 19 documents to him, but I propose to move on simply because they
- 20 are consistent with what we've just seen and they're there for
- 21 all the parties to observe.
- 22 The first document is IS 18.50. It's a report on a meeting which
- took place on the 27th of September 1977.
- 24 Second is Introductory Submission 18.53, another meeting with the
- 25 Yugoslav Ambassador dated 18th of October 1977.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 And the third document is number D366/7.1.509. It's another
- 2 report of a meeting, this time dated the 22nd of November 1977.
- 3 [15.24.34]
- 4 And, lastly, D366/7.1.510, again a meeting -- a report to Brother
- 5 Hem dated the 29th of November 1977.
- 6 And while I'm dealing with the matter, I should state for the
- 7 record, there are over 20 such reports that this subset that I
- 8 have just referred to is -- are the documents reflecting the
- 9 meetings that this witness attended.
- 10 Q. Mr. Lomouth, we might just deal briefly with the issue of
- 11 exports, and I want to see if that last document refreshes your
- 12 memory in any way.
- 13 You said to us earlier, I think, that you recalled rice and beans
- 14 were exported. This document also refers to coffee. Do you recall
- 15 any other types of produce that Democratic Kampuchea was
- 16 exporting?
- 17 MR. SAR KIMLOMOUTH:
- 18 A. No, I don't remember.
- 19 [15.26.10]
- 20 Q. As for rice and beans, do you recall, in preparing the freight
- 21 documentation, roughly what amounts of rice were being exported,
- 22 and beans?
- 23 A. This task was for the Commerce Committee section. I was not
- 24 kept in the loop concerning this, so I don't know. Unless you
- 25 present me with some documents for clarification, I would not

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 remember the details without documents.
- 2 Q. Just one further question on that topic: Do you recall where
- 3 the produce that was being exported came from? How it was that
- 4 this produce was being exported through Kampong Som?
- 5 A. I don't know where this produce was from, but I guess they
- 6 could have been brought from the countryside. But who brought
- 7 them, I can't confirm.
- 8 Q. Thank you very much. Very briefly, in this period, did you
- 9 ever meet or work with Khieu Samphan?
- 10 A. No, I didn't.
- 11 [15.28.45]
- 12 Q. What about Mr. Ieng Sary? Did you ever work or meet with him?
- 13 A. Mr. Ieng Sary was the Minister of Foreign Affairs, and my unit
- 14 was not under his section. I used to attend meetings with him in
- 15 my capacity as the person representing the banking sector, for
- 16 example, when the topics of commerce and economy were being
- 17 discussed.
- 18 I never called -- I never told myself or asked myself any
- 19 questions why he appeared in such meetings because the meetings
- 20 were mainly about the commerce and the economy and no other
- 21 matters being discussed when I attended.
- 22 Q. Do you recall what position Mr. Ieng Sary held at the time?
- 23 A. The one thing I know for sure is that he was the Minister of
- 24 Foreign Affairs.
- 25 [15.30.34]

- 1 Q. Thank you very much.
- 2 What I would like to do next, Mr. Sar Kimlomouth, is show you
- 3 another series of documents, which have been shown to you
- 4 previously and which you've commented on in your interview with
- 5 the Co-Investigating Judges.
- 6 Your Honours, these documents relate to the -- or rather contain
- 7 communications with Ren Fung, the company in Hong Kong which the
- 8 witness described earlier. Each of the next -- each of these
- 9 documents that I propose to show to him were discussed with him
- 10 in his OCIJ interview.
- 11 And the first document is D161/1.4. And when it was shown to the
- 12 witness, it was also given document number D279/7.5. It is a
- 13 letter to Ren Fung, and as I said, it has been shown to the
- 14 witness previously.
- 15 With your permission, I would like to show it to the witness.
- 16 [15.32.33]
- 17 MR. PRESIDENT:
- 18 You may proceed.
- 19 But, first, the court officer is instructed to obtain the
- 20 document from the Prosecution and present it to the witness.
- 21 (Short pause)
- 22 [15.33.24]
- 23 BY MR. ABDULHAK:
- 24 Q. Mr. Sar Kimlomouth, do you recall being shown that document by
- 25 the investigators? You will see your signature there at the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 bottom of the first page.
- 2 MR. SAR KIMLOMOUTH:
- 3 A. Yes. At that time, the investigator did present this document
- 4 to me, and I did sign that I had read this document.
- 5 [15.34.07]
- 6 Q. Thank you.
- 7 Now, looking at -- perhaps, Mr. President, if we could place it
- 8 on the screen, so that others can see it?
- 9 MR. PRESIDENT:
- 10 You may proceed.
- 11 Assistants and AV technicians, please make sure that this
- 12 document is put up on the screens.
- 13 BY MR. ABDULHAK:
- 14 Thank you.
- 15 Q. Mr. Lomouth, this is a letter dated the 7th of July 1978, and
- 16 it is addressed to Ren Fung Co. Ltd., Hong Kong. I'm not
- 17 particularly concerned about the content of the letter as with
- 18 the last document. Are you able to read for us the annotation
- 19 that appears at the top of that first page or would you like me
- 20 to read the translation and for you to check against the Khmer?
- 21 [15.35.38]
- 22 MR. SAR KIMLOMOUTH:
- 23 A. Yes, I will read it out: "Already sent to Brother Hem. Copied
- 24 letter -- copy letter."
- 25 But I did not understand what it was. And "sample of two sets of

- 1 boxes" -- we had to send sample boxes for them to keep goods.
- 2 Q. Thank you very much. Could you just read out for us the text
- 3 at the very end of this letter? We just want to see who signed;
- 4 in whose name the letter was sent. The words below number 7. So
- 5 it starts with "warmest revolutionary fraternity".
- 6 Do you see that section, just below paragraph 7?
- 7 [15.37.14]
- 8 A. Do you want me to read the line below that line?
- 9 Q. Yes, please, if you could.
- 10 A. "Please send a sample of 2 kilos of black pepper so that you
- 11 can forward it to INTRACO Company in Singapore to meet its
- 12 request. With warmest revolutionary fraternity, FORTRA, Phnom
- 13 Penh."
- 14 Q. And do I understand correctly that this was -- and please
- 15 correct me if I've got this wrong -- that these were samples of
- 16 Cambodian pepper for exporting that were being sent to Hong Kong?
- 17 A. Yes, that is correct.
- 18 Q. Thank you very much. The letter is signed by FORTRA --
- 19 F-O-R-T-R-A. Could you tell the Court what that was?
- 20 A. FORTRA was an acronym which I am not sure. I was not the one
- 21 who created this acronym, but it could have been an acronym for
- 22 foreign trade. But again, I was not the one who created this
- 23 acronym, and I was not involved in creating this acronym either.
- 24 So in my understanding, this could have been Foreign Trade; "FOR"
- 25 for "foreign", and "TRA" for "trade".

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 [15.39.47]
- 2 Q. Thank you very much; you're very kind to assist us. And we
- 3 will leave that document for now.
- 4 What I would like to show you next is another document, another
- 5 communication to Hong Kong, we believe, which again you have been
- 6 shown by the Co-Investigating Judges. Mr. President, this is
- 7 document IS 21.142, and when it was shown to the witness, it was
- 8 also allocated number D279/7.7.
- 9 And with your permission, I would like to show the witness this
- 10 document now.
- 11 [15.40.49]
- 12 MR. PRESIDENT:
- 13 You may proceed.
- 14 But, first, court officer is instructed to obtain the document
- 15 from the Prosecution and present it to the witness.
- 16 BY MR. ABDULHAK:
- 17 Thank you, Mr. President.
- 18 Q. I'll just -- I'll give you a moment, Mr. Lomouth, if you want
- 19 to just quickly review that document and see if you recall
- 20 discussing it with the Co-Investigating Judges.
- 21 A. Yes, the investigator did present this document, and I did
- 22 sign at the end of the document that I had read this.
- 23 MR. ABDULHAK:
- 24 Mr. President, if we could show the document on the screen? And
- 25 I'll give a brief summary. I'll read a couple of passages in

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 English, so that non-Khmer speakers can also follow. If we could
- 2 have it on the screen, Mr. President?
- 3 [15.42.18]
- 4 MR. PRESIDENT:
- 5 You may proceed.
- 6 Assisting officers, please put up the document on the screens.
- 7 BY MR. ABDULHAK:
- 8 Thank you.
- 9 Q. Mr. Lomouth, in this case, we see that the letter is signed by
- 10 the Commerce Committee. It is dated the 27th of October 1978, and
- 11 it is addressed to, if you look at the first line, "Beloved and
- 12 missed Comrade Krin and Nat".
- 13 I'll just read the first sentence, so that others who are not
- 14 reading the English -- who are not looking -- who cannot read the
- 15 Khmer version understand what the purpose of the document is. The
- 16 first sentence states:
- 17 "We have received information from Angkar about your reporting
- 18 letter on the name transfer between Krin and Comrade Sok and the
- 19 share transferred from Comrade Nat to another comrade."
- 20 Mr. Lomouth, the letter seems to be dealing with a transfer of
- 21 shares or rather -- indeed; a transfer of name and shares, and
- 22 the transfer is between Comrade Krin and Comrade Sok in relation
- 23 to the name. And shares are to be transferred from Nat to another
- 24 comrade.
- 25 First of all, we discussed a Comrade Krin earlier today. Might

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 this be the same Krin or could it be a different person?
- 2 [15.44.25]
- 3 MR. SAR KIMLOMOUTH:
- 4 A. I think that it was the same person.
- 5 Q. So this is -- just to refresh everyone's memory, this is
- 6 Comrade Krin, the head of the Sea Ports Committee in Kampong Som.
- 7 Do you know who Comrade Sok and Comrade Nat were? Do you recall
- 8 that?
- 9 A. To my recollection Sok was a member of the company, and he was
- 10 based in Hong Kong. And Nat I did not know, but I learned about
- 11 his name later on -- on the last day when the Investigator
- 12 presented his document and they told me a little bit about the
- 13 background of Nat.
- 14 But as for Sok, he was a company staff member attached to Hong
- 15 Kong. And this was all about the transfer of share among members,
- 16 and it was the internal matters of the Commerce Committee.
- 17 I don't know if you understand my explanation, but if there is
- 18 any unclear point, then I am happy to respond to your further
- 19 questions.
- 20 [15.46.10]
- 21 Q. I'm very grateful. Are you able to recall what was the purpose
- 22 of that share transfer and who they were being -- were they being
- 23 transferred to Krin or otherwise?
- 24 A. The share must have been transferred to Krin. It was
- 25 transferred from one shareholder, but I did not know who that

- 1 shareholder was. But the share must have been transferred to
- 2 Krin. And for what purpose of that transfer, I did not know.
- 3 Q. We understand. Just want to trace it if we can -- the
- 4 transaction.
- 5 So, to sum up, shares were being transferred to Krin in the
- 6 company Ren Fung. That's your evidence?
- 7 A. The transfer was not from Ren Fung to Krin, but it was from
- 8 among the shareholder. Ren Fung was a company and there were Nat
- 9 and Sok who were shareholders. And there was a transfer of share
- 10 from one person to another. If it was the transfer from Nat to
- 11 Krin, then Krin was the new shareholder, and Nat had nothing to
- 12 do with the share anymore.
- 13 [15.48.15]
- 14 Q. Thank you very much. That's exactly what I was trying to
- 15 understand.
- 16 Now, we have just one more document that relates to this -- or
- 17 rather one more letter that relates to this company.
- 18 Mr. President, this document is Introductory Submission 21.147,
- 19 and it was shown to the witness in his second interview and
- 20 assigned an additional number, D279/7.9. It was a -- it's another
- 21 letter from the Commerce Committee to the people in Hong Kong.
- 22 [15.49.10]
- 23 MR. PRESIDENT:
- 24 You may proceed.
- 25 Court officer is now instructed to take the document from the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Prosecution and give it to the witness.
- 2 BY MR. ABDULHAK:
- 3 Thank you, Mr. President. And if--
- 4 We will give the witness a moment to review the document.
- 5 And if the AV Unit could also place it on the screen?
- 6 Q. Mr. Lomouth, do you recall also being shown this document by
- 7 the investigators? It has your signature at the bottom.
- 8 MR. SAR KIMLOMOUTH:
- 9 A. My apology; I need some time to review this document first
- 10 before I can respond.
- 11 MR. PRESIDENT:
- 12 Court officer is now instructed to arrange the headphone for the
- 13 witness.
- 14 (Short pause)
- 15 [15.50.52]
- 16 MR. SAR KIMLOMOUTH
- 17 A. I have read this document, and the investigators, during the
- 18 interview, presented this document to me.
- 19 I did not sign on this document, but I recall I had looked at
- 20 this document. But at that time, the investigator did not ask me
- 21 to sign it. But to my recollection, I did saw this document.
- 22 MR. PRESIDENT:
- 23 Assistant, please make sure that the document is put up on the
- 24 screen.
- 25 [15.52.04]

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 BY MR. ADULHAK:
- 2 I'm grateful, Mr. President. We will be very brief with this
- 3 document.
- 4 Q. This is a letter dated the 10th of December 1978. And it is
- 5 authored by the Commerce Committee. And I will -- perhaps just to
- 6 speed matters along, I might read the relevant passages and see
- 7 if you're able to assist us with this at all. The letter starts:
- 8 "Attention to Comrade Krin and Comrade Nat with love and
- 9 nostalgia."
- 10 First paragraph: "We are instructed by Angkar that Comrade Sok
- and Nat are to be given a new task in the near future."
- 12 And I will skip to the third paragraph, simply to speed matters
- 13 along.
- 14 "Upon the completion of the tasks, we would like to request that
- 15 Comrade Krin help facilitate a return to the country trip of
- 16 Comrade Nat and a child named San Feng and make sure that they
- 17 are safe and well."
- 18 It appears from that document -- and please correct me if I'm
- 19 wrong, Mr. Lomouth -- that Sok and Nat, the shareholders of Ren
- 20 Fung, are being reassigned new tasks and are returning to
- 21 Cambodia. Is that a -- is that a correct summary of this
- 22 document?
- 23 [15.54.04]
- 24 MR. SAR KIMLOMOUTH:
- 25 A. Yes, that is correct. The two individuals were to return home

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 and then the share was transferred to Krin, and Krin would assume
- 2 the position. And Krin should take care of the task over there.
- 3 So that was this letter all about.
- 4 Q. Thank you. You said to us that you knew Sok or knew who he was
- 5 but that you found out from the -- from the documents you were
- 6 shown by the Investigating Judges that Nat was his wife. Do you
- 7 know at all what happened? Did they return to Cambodia, and what
- 8 happened after this instruction from the Commerce Committee?
- 9 [15.55.14]
- 10 A. I do not know because that was the letter sent by the Commerce
- 11 Committee. And I was not involved in this matter and I did not
- 12 know. I only learned it when the investigator presented this
- 13 letter to me and I helped the investigator explain the working
- 14 process at that time.
- 15 Q. Thank you.
- 16 There is another document which relates to this matter, the
- 17 return of these individuals to Cambodia. But, Your Honours, in
- 18 the interests of time, I don't need to show it to the witness.
- 19 I'll simply read out the relevant numbers and leave it for all
- 20 the parties to examine.
- 21 This document is IS 3.1. It has been allocated an E number:
- 22 E3/1532. This is a prisoner sheet from S-21 in the name of In
- 23 Sok, who is described as the Commerce Chairman stationed in Hong
- 24 Kong.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 MR. PRESIDENT:
- 2 National Counsel, you may proceed.
- 3 MR. KONG SAM ONN:
- 4 It appears that the Prosecution is making a statement rather than
- 5 putting the question to the witness. I am objecting on that
- 6 basis.
- 7 MR. PRESIDENT:
- 8 Prosecutor should try to frame the approach of putting questions
- 9 to the witness to avoid any leading questions to the witness.
- 10 MR. ABDULHAK:
- 11 Thank you, Your Honours. I will stop there. I was simply making
- 12 reference to a document and, in the interests of time, I didn't
- 13 want to show it to the witness.
- 14 I'll just indicate that IS 3.5 is also relevant and relates to
- 15 Nat.
- 16 The reason that I didn't show these two documents to the witness
- 17 is that he made it clear in his interviews that he had no
- 18 familiarity with them, and legitimately so. They're not commerce
- 19 records, unlike the previous documents.
- 20 [15.58.20]
- 21 BY MR. ABDULHAK:
- 22 Q. Now, in the very limited time remaining, Mr. Lomouth, if we
- 23 can return to some of the names, some of the people that you have
- 24 mentioned to us? You said Doeun, who was Van Rith's predecessor
- 25 as the Chairman of Commerce, disappeared or was removed. Do you

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 know what happened to him?
- 2 MR. SAR KIMLOMOUTH:
- 3 A. I cannot recall the exact date, but the words "disappearance"
- 4 or "removal" to me was not something so significant. At that
- 5 time, what I noticed was that the gentleman was not there anymore
- 6 and he might have been transferred or removed or so. But I only
- 7 -- what I only noticed is that this man was the Chairman of the
- 8 Commerce Committee, but on a later date I did not see him any
- 9 more in the office.
- 10 [15.59.56]
- 11 Q. And did you ever find out -- after this time did you ever find
- 12 out what happened to Doeun? Did you ever see him again or did you
- 13 ever hear what happened to him?
- 14 A. No, I don't know.
- 15 MR. ABDULHAK:
- 16 Thank you. For the record, Doeun's S-21 confession is document
- 17 number IS 5.92, and he appears in the revised S-21 prisoner list
- 18 at number 9546.
- 19 Now, Mr. President, I can move on to other topics. I'm conscious
- 20 of the time. I can also stop here, and I'm happy to continue next
- 21 week, as you direct me.
- 22 MR. PRESIDENT:
- 23 Counsel Karnavas, you may now proceed.
- 24 [16.00.56]
- 25 MR. KARNAVAS:

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 Thank you, Mr. President. I know it's 4 o'clock, or past 4
- 2 o'clock, but I do have an objection to this technique.
- 3 The gentleman indicated he did not know. Then counsel begins by
- 4 effectively testifying about documents from S-21.
- 5 There will be plenty of opportunity for them to bring those
- 6 documents in through other witnesses or to comment on documents
- 7 in closing argument, but this is utterly improper. Why does this
- 8 gentleman need to know that the individual ended up in S-21
- 9 unless, somehow, it fits into their questioning down the road?
- 10 But frankly, it is utterly improper. There was an objection, a
- 11 good objection made, but the gentleman proceeded by then
- 12 testifying.
- 13 We're here to elicit evidence from the witness, and not to impart
- 14 information from documents as lawyers unless it's final argument,
- 15 and then we can do whatever we wish to do with the documents and
- 16 comment on them. Thank you.
- 17 [16.02.04]
- 18 MR. ABDULHAK:
- 19 Mr. President, by way of clarification, the reason I make
- 20 reference to these documents is that we are sitting through a
- 21 very long trial. We're dealing with large numbers of documents.
- 22 I have exhausted the witness' memory. There is absolutely nothing
- 23 improper about me simply nothing for the record that a document
- 24 relates to this -- to this individual.
- 25 Now, unless the Defence wish to contest the Doeun was arrested

Extraordinary Chambers in the Courts of Cambodia Trial Chamber – Trial Day 67 Case No. 002/19-09-2007-ECCC/TC 31/05/2012

- 1 and killed at S-21, I see absolutely no point to these sorts of
- 2 objections. There is nothing improper in terms of leading the
- 3 witness.
- 4 [16.02.43]
- 5 MR. KARNAVAS:
- 6 If I may, Mr. President, and I--
- 7 MR. PRESIDENT:
- 8 You may not be allowed to make further response on this. Indeed,
- 9 you have the right to only make an objection, not twice on the
- 10 same issue. And all parties should also be well apprised of this
- 11 as well.
- 12 (Judges deliberate)
- 13 [16.05.02]
- 14 Objection by counsel for Mr. Ieng Sary is not sustained.
- 15 Co-Prosecutor only wished to establish the relevance of the
- 16 document in the case file.
- 17 And it is now time for the adjournment of the day.
- 18 And, Mr. Sar Kimlomouth, we have not yet concluded your testimony
- 19 sessions, and we also need you to come back to give testimonies
- 20 again on Monday, the 4th of June 2012, by 9 a.m.
- 21 Mr. Duty Counsel for the witness is also invited to come to the
- 22 Court on the same date to give the witness some assistance when
- 23 needed.
- 24 Court officer is now instructed to assist the witness with the
- 25 WESU unit to ensure that Mr. Witness can be well escorted to his

111

- 1 house and have him return to the courtroom by Monday, the 4th of
- 2 June 2012.
- 3 Today's session has now come to an end. The Court will adjourn
- 4 today, and the next session will be convened on Monday, the 4th
- 5 of June 2012, at 9 a.m.
- 6 The Chamber will continue hearing the testimony of Mr. Sar
- 7 Kimlomouth and that questions still remain to be put by the
- 8 Co-Prosecutor.
- 9 And the Chamber would like to inform the public and the parties
- 10 that the Chamber may hear another witness, TCW-604, alongside the
- 11 testimony of TCW-604 (sic), if needed.
- 12 [16.07.27]
- 13 Security personnels are now instructed to bring all the accused
- 14 persons back to the detention facility and have them return to
- 15 the courtroom by 4th of June 2012.
- 16 The Court is adjourned.
- 17 (Court adjourns at 1607H)
